Dear Sponsor,

Lovely Christian greetings in the Wonderful Name of our Lord and Saviour Jesus Christ the soon coming King.

In first place I would like to express my heart felt appreciation for the good support rendered to me and my family, please thank you very much you are good people.

As a family we are doing well by the grace of God, my wife who was sickly for some years is now okay, she is able to do some works home like washing, cooking, sweeping and doing other jobs home, we thank God for prayers you have been offering.

As a family we have number of challenges such like feeding the orphans and educating them, we have to pay water bills, pay for electricity bills, paying for ground rates, etc.

These are real challenges of life. It is in this due respect we need more of your support thank you.

Being a family we have continue to have Bible study, praying for our country and our dear sponsors and other issues.

SECTION 2: MINISTRY AND TRAINING INFORMATION

During the quarter under review January to March 2018 I did the following church activities. I was approached by another pastor asking me if I can bless the young couple to be which was an engagement for about 2 years in his church, in which I agreed to do the work. I invited them home where I started giving them Marriage Counsel for one month, they were coming every Saturday home and receive counsel on how you can live together in love trusting each other, appreciating each other, honest in every thing you are doing etc. They appreciated because I touched many areas of life. After that we appointed a day of wedding on the day of wedding I first preached the Word of God the congregation showing them the importance of marriage in eyes of God. There after I officiated and blessed them. Then I congratulated them by shaking their hands, as a new couple. During the same quarter as a church we had a prayer and fasting the first week of January for seven days, me as a pastor I continued fasting up to 10th February for 110 days it was not easy but I sacrificed for the sake of the Kingdom. I have continued to train my church leaders on leadership and administration of the church. Which they enjoyed and appreciated. Thank you

ON 3: OUTREACH INFORMATION

(Write about outreach events, activities, or conversions which occurred during the previous 3 months. Tell the story of a new church started or of some of the people led to Christ.)

During the quarter under review January to March 2018 I had an out reach to Chisamba Mwaehi'sompola area in central province of Zambia. I went there preaching in villages, going village to village sharing the Gospel of Jesus Christ, and distributing Gospel pamphlets (tracts). I faced some challenges with the local language which is Zenge, but by the help of the local 2 pastors were able to interpret in their language and continued to help me where ever I went to preach. The response was overwhelming a good number of people surrendered their lives to Jesus Christ, and confessing their sins to God, and we have to pray for them and lead them to Christ. At the end of the mission 82 people were saved, then the new converts I encouraged to join the true Gospel preaching churches in the area for their spiritual growth and baptism. As a country faced a great challenge, we were affected with the disease called cholera the disease causing severe diarrhoea and vomiting it was tense people could not shake hands, people were not allowed to meet more than 6 (six) in one place especially in Lusaka it was worse. About 11000 people were affected, 80 plus people died with the same disease. We thank God that it is now over we are free from that dangerous disease. every body fears for their lives. Thank you very much for your prayers. Total saved 82 people
