SPONSORSHIP REPORT

SECTION 1: PERSONAL INFORMATION and FAMILY INFORMATION

Dear Sponsor,

Warm Christian greetings in the mighty name of our Lord and Saviour Jesus Christ, the soon coming King.

In first place I would like to express gratitude to you for the wonderful support rendered to me and my family you are good people God bless you. Proverbs 28:27.

As a family we are doing well, during Christmas and New Year my children came together home and celebrated the festival. It was a good fellowship as a united family who grew up in a Christian home, they are used to pray and love one another.

This has been their culture every year they come together even though our house is small, but they enjoy that when they meet in that way and share their love for each other. As parents we are very grateful to God who has given us such kind of children who love God and each other. Jesus said the house that is divided, cannot stand. Despite the level of poverty we are in we continue to serve God with gladness.

SECTION 2: MINISTRY AND TRAINING INFORMATION

During the quarter under review October to Dec 2017 I had the following church activities. I was invited to Kapirimpashi Town in central province of Zambia. I went there to preach and conduct revivals in the evenings inside the church for one week, the Bishop of that church invited me, God gave me the grace to expand His Word in a powerful way, people were very blessed, by the time I left the place people were excited and their faith was lifted in God. Another time I was invited to preach Jesus Anointed Ministry I first started preaching at the church in Lusaka Centre the service starts at 06:00hrs to about 09:00hrs I preached to that church and the word of God was so clear to people, people very much anxious to listen to my preaching and received the word of God with all their hearts, some people who came there for the first time gave their lives to Jesus Christ. It was nice. From there we proceeded to the main church in Lusaka South near Lilayi College, there the church starts 9:30hrs up to 13:00hrs. There I also preached a good and powerful message, this is one of the fastest growing churches in the city, the attendance is about one thousand plus per service, after the preaching people committed themselves to the Lord, there was a long prayer of seeking the Lord. After that we went for lunch 14:30hrs we came back and again I preached, the presence of the Lord was there. I continued preaching and praying up to 17:00hrs 5:00 o'clock. There was a lot that happened that Sunday. I have no space to put what I did.

SECTION 3: OUTREACH INFORMATION

During the quarter under review October to Dec 2017

I was invited to Kapirimposhi central province of Zambia. We were doing Evangelism during the day we used to go to the Market conducting mini crusade meetings, then after singing some songs I will stand up and preach the Gospel of our Lord and Saviour Jesus Christ.

After preaching I will invite those who want to accept the Lord Jesus in their hearts as their personal Saviour. I will lead them in a confession prayer to receive Jesus in their hearts, then after a prayer I will congratulate them by shaking their hands, for about 5 days. By the end of the mission 143 people were saved and they joined the church which invited me in that area.

During the same period I went Katuba area. This is about 15 miles along great North road from Lusaka. I was there for one week doing door to door or village to village Evangelism and distributing Gospel tracts to the people in the area.

I faced some challenges because people are much involved in drinking local beer called Kachasu. They start drinking as early 6:00 o'clock. Some times you are being insulted and told off. But I continued persevering and preaching the word of God.

But by the grace of God at the end of mission 59 people were saved. We glory to God and those wonderful souls surrendered them to the nearest churches which are already there for their spiritual growth. Total Number of people saved this quarter 102.
