SPONSORSHIP REPORT

SECTION 1: PERSONAL INFORMATION and FAMILY INFORMATION

Dear Sponsor,

Lovely Christian greetings in the mighty name of our Lord and Saviour Jesus Christ, the soon coming King.

In first place I would like to express my heart felt appreciation for the good sponsorship rendered to me and my family. please thank you very much.

As a family and Nation, our staple food is Nshima. Which we make from maize mealie-meal. We boil water and when water is boiling we put mealie-meal and stirring with cooking stick make it a thick liquid or thick porridge. We eat by using our fingers, Vegetables, fish, beef, beans, etc as relish. many times we use this food during lunch and supper. Some times when we have money we use tea and bread as our breakfast. I just wanted you to the kind of food we eat. This year we have just celebrated our forties anniversary as a couple. My wife and myself we have lived together for forty years now. It is not easy but by the grace of God we have poured together in time of difficulties or happiness we did put our hearts together and celebrate God's favour and care.

SECTION 2: MINISTRY AND TRAINING INFORMATION

During the quarter under review July to Sep 2017
We had a Seminar conducted by Willie Hunter from
Head office of Gospelink in United States of America.
Who taught the Word of God in a Mature way he gave the
example of the life of Joseph from Genesis 37: 151 -
He also reminded us how we should write the report in
time, how we should be committed to the work of God in
teaching and preaching the Word of God. He also told us
the statistics of the work of God, how the work is growing
in all the countries Gospelink is operating it was very encoura-
ging and building up our faith. We glorified the Lord.

During the same period I continued training my church
leaders on 10 Basic Steps toward Christian Maturity from
the book written by Bill Bright of U.S.A.
Step one beginning the exciting journey of faith what one
must do to become a Christian John 1:12. Receive Jesus
Christ as Savior and Lord. To believe in Jesus Christ is to
possess and free from death to life. I will continue teaching
these 10 Basic Steps until we finish them.

During the same quarter our youth conducted a City Wide
Over night, where they invited other youth from different
churches. Where they came in numbers more than 200 youth
attended and they had a good time. They ^{had} various prayer
prayer points, praying for revival, praying against poverty
praying for political situation in our country. And praying
for other countries who are in similar situations. They had good time.

SECTION 3: OUTREACH INFORMATION

(Write about outreach events, activities, or conversions which occurred during the previous 3 months. Tell the story of a new church started or of some of the people led to Christ.)

During the quarter under review July to Sep 2017
We had a follow up outreach in Western province where
We started a church in the first quarter of this year.
And in the third quarter of this year I thought of going there
again to do the work of evangelism to the same place called
Nalikwanda, Mongu District in this province we don't have
even one single preacher of the Gospel. I'm therefore want
to reach more people there with the Gospel of Jesus Christ.
I was there for 2 weeks preaching and teaching the word
of God.

Challenges was there poverty in many ways lack of food clothing clean water people are sharing water with animals in the same drinking springs etc.

Despite all these challenges I continued to labour and travelling in prayers by the end of 2 week 79 people gave their lives to Jesus Christ. and they were added to the new church.

One of them is Mr Mwitungwa Kambole He was a heavy drinker
One day as I was Sharing the Word of God he listen careful
after I have finished preaching he asked Me Can I become a
Christian also, I Said yes if you are willing, and he Said I M
Willing and I prayed for him and that was his turning point
The Man is 42 years old Who never Wanted to Marry;
We pray that by the grace of God he may think of having a
family, and live for God. His life has completely changed
Many people are surprised how this man have changed by God's grace

Total Number of people save this quarter 79
