Ministry in the Republic of Georgia

by: Pastor Mevlud Gogatishvili

During this quarter I met my former math teacher, Alexander. He is now 65, has a wife and two children. He goes to an orthodox church where he worships icons. He asked me to help till his garden and I agreed with joy. During lunch break as we ate together I used that time to tell him about the Lord. I shared Exodus 20:1 with him, where it tells about worshipping idols. He listened carefully and was very surprised to hear those verses.

Alexander had many questions that I tried to answer. He said that he thought that he knew a lot about God and the way to heaven, but realized now that it was not so. I prayed with him as he gave his heart in repentance to God and accepted the gift of salvation given to us by Jesus. He asked me to return and teach him more about the ways of the Lord. As I left he said, "I used to teach you, and now you teach me." I promised to visit him again and to tell him more about the Lord. I praise God for that divine appointment and opportunity to glorify Him. I am already planning my next visit with Alexander and have a Bible to give to him. Please pray for him!

As a family we indeed appreciate your good support, every body is happy with your support.

As a household we are doing well by his good grace. our third born boy by the name of. Manasseh who was visiting us from South Africa is now gone back to that country after helping a lot in the work of God through preaching and teaching the word of God.

Both in the church and out side the church.

As people in the third world in Zambia particular we have lot of challenges in the area of, clothing, Medication and children education is very crucial, you don't know what you will eat or dress tomorrow.

Despite all these obstacles we still love the Lord, and continue to serve him with all our hearts. Praise be to his precious name. bye.

SECTION 2: MINISTRY AND TRAINING INFORMATION

During the quarter under Review April to June 2017
We had a Seminar in Lusaka, organized by
Celebration Recovery a group that came from
U.S.A. Most of Gospelink preachers attended the Seminar
Which took 5, five days from Monday to Friday.
We looked at 12 STEPS AND THEIR BIBLICAL
COMPARISONS

Step 1 We admitted we were powerless over our addictions
Romans 7:18

Step 2: We came to believe that a power greater than
ourselves could restore us to sanity. Philippians 2:13
etc.

We went step by step every day it became nice and
educating. Most of those people who were teaching came
from streets begging and doing all kinds of evil activities,
but God has changed them. They are now preaching
the Gospel of Jesus Christ.

They were teaching and giving their testimonies how
they became Christians. And how God changed their lives.
Sometimes they will show the video of the life they
use to live. It was moving videos.

These were practical teachings, we sought through prayers
and meditation to improve conscious contact with God
We desire to learn more of these things they are vital to
our daily lives

My dear wife also attended this wonderful seminar.

SECTION 3: OUTREACH INFORMATION

During the quarter under review April to June 2017 We had some outreach in Southern province in Siabonga District Simanga area for three weeks a distance of about 300 Kilometres from Lusaka. My friend and myself went Village to Village to preach and teach the Gospel of the Lord Jesus Christ. It was the beginning of winter in our country so it was cold. We used to go to Village headman and speak to him about our mission. Then the Village headman will call his subjects, after gathering together them I will introduce myself and my friend, then telling them why we are there. Then I will ask them if I can share the word of God with them. From there I will share the word of God ask them if they heard about Jesus Christ, who he is why he came on earth. I will start telling them why Jesus came and died on the cross, the reason is that he died for our sins. Because we are sinners all of us on earth, I will go deep to explain more in details, how much we need to give our lives to Jesus for our salvation I will quote Numbers of scriptures. Then I will ask those who want to receive Jesus Christ in their lives, from there I will lead them in the confession prayer, after that I will congratulate them. At the end of the mission 69 people were saved and received Jesus Christ. And the church was started in the area.
