

SECTION 3: OUTREACH INFORMATION

During the quarter under review October to Dec 2016
We had an out reach to barrastone Lusakwa West.
We went door to door evangelism knocking at the
gates of the people, some will welcome us some will
not. To those who will welcome us, I will introduce my-
self and the friend I was with, then I will tell them why
we were there.
After sitting down I will start sharing the good news of
the Gospel with the entire family. after sharing the Gospel
I will give chance to the people to ask questions if any.
Some times they will ask many. then I will answer question
by question by the help of the Holy Spirit people will under-
stand and surrender their lives to Jesus. then I will lead
them in confession prayer and receive Jesus Christ
in their lives as their personal Saviour.
The program was for 3 weeks it was hard because it
is a rain season. Sometimes we will be soaked teaching
home wet. But is ok in everything we give glory to God.
At the end of the mission 106 people were saved and new
converts I introduced them to good pastor in the area who
preach the full Gospel of Christ. for their spiritual
growth, baptism etc.

Total Number of people saved this quarter 106
