

**MAY 23RD**

**We Made It!**

**This has been quite a year! It's amazing to look back and think of all the challenges our club has overcome. We are extremely grateful to our clubbers and their parents for being flexible; this club could not have survived without you guys!**

**As the year comes to the close, we are excited to be holding our annual awards ceremony again. Clubbers who have completed books will be receiving awards, and we will also be talking about the past AWANA year and watching a slideshow.**

**Please feel free to invite grandparents, uncles, aunts and anyone else you want to be a part of this exciting event.**
