***"Enter into his gates with thanksgiving, and into his courts with praise:
be thankful unto him, and bless his name." Psalm 100:4***

Dear Prayer Warriors and Faithful Supporters,

I am so thankful for all the Lord's blessings in the ministry in South Africa and also His encouragement and continued blessings here in the USA while on furlough. I have had the opportunity to be with several of my supporting churches in DE, PA, NY, OH, MI, IL, WI, NC, and VA. It has been great to get to know my supporters better. I am so thankful to have such amazing churches as a part of the ministry in South Africa.

Through the generosity of churches and individuals the Lord has provided approximately \$30,000 towards the Little Fish Ministries clinic/nurse housing. To say I am overwhelmed by God's goodness is an understatement. Please pray for Little Fish Ministries as additional building projects are starting up and we are praying to be able to take in additional children as soon as possible. On May 12th new projects began including a cottage for additional children and the medical staff housing. It is so exciting to see the Lord provide for these building projects to get under way.

Please PRAY!!
Safety as I travel

Little Fish Ministries
Return trip to SA July 13-15

God has also been growing the Abundant Life Baptist Church in 2021. **We have seen 5 people come to accept the Lord as their personal Savior and are now actively attending church and will soon follow the Lord in believer's baptism.** It is amazing to see the Lord working in the church ministry.

Over the next couple of months, I will continue to travel visiting my supporting churches. I have secured a flight for July 13 to arrive back in Port

Elizabeth, South Africa on July 15th.

Please consider giving towards the Clinic and Medical Staff Housing...we are still in need of **approximately \$30,000**. Remember that many of the children that come into our care will need immediate medical attention. **Please help meet this need by AUGUST 2021.**

**To be a part of this project you can do so online at <https://dbmi.org/give>
