Here is the answer to the world's problems today "Thou shalt love the Lord thy God" and "Thou shalt love thy fellowman." That teaching is not out of date; it is absolutely relevant today. It is the only way in which the problems of the world today can be solved, whether the problems are those of individuals or of nations. If we love God with all our heart, we will have capacity to love our neighbors. True love will find an outlet in service not merely in singing hymns, attending church, or even in praying but in trying our utmost to prove our love, by obeying the will of our heavenly Father.

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.

2 Chronicles 7:14
