Updated May 2021

Please note this policy will be effective for any facility booking beginning June 1, 2021

Christ Church is pleased to make the facilities of the parish available to outside groups and organizations. Approval of the use of facilities, however, does not constitute or imply endorsement of a group, their mission, or their positions. Groups approved to use facilities at Christ Church must not advertise the event in such a way as to imply endorsement by the parish.

To request our facilities, please follow these steps:

1. Please read each section of this policy carefully.
2. Complete the *Facilities Use Application* ([click here for online form](#)). The online form will automatically be forwarded to a church representative. You will be notified promptly as to whether your request has been approved.
3. If approved, then fill out and sign the attached PDF *Release Agreement*. Scan and email the *Agreement* at least one month prior to event to Darla Watt in the church office office@christchurchexeter.org
4. Questions regarding policies can be directed to Joe DiPalermo at jdipalermo@picamfg.com

Only applications on the official application form will be accepted. Only applications filed electronically through our church website will be accepted.
- c. Requests for special arrangements, e.g. use of piano or organ (see A8), audio systems (see A9), janitorial services (see A10), or the moving of furniture in the church (see A11), must be made at the time the application is submitted.
- d. All applications will be reviewed by the Rector or his designee. Acceptance or denial of the application will be confirmed electronically within two weeks of the submission of the application. Until confirmation is received, please do not assume acceptance of the application.
- e. Approval of the use of facilities does not constitute or imply endorsement of a group, their mission, or their positions. Groups approved to use facilities at Christ Church must not advertise the event in such a way as to imply endorsement by the parish.
- f. A Certificate of Liability Insurance may be needed prior to the planned event. If so, you will be instructed when the application is approved. Receipt of insurance would need to be on file at the church before the event can be held.

2. Priority

Priority for space is given to meetings, activities, and functions of the parish. Christ Church reserves the right to preempt any facilities for its own use in cases of emergency, such as funerals. Notice will be provided as soon as possible.

3. Music Lessons

No individual or group music lessons may be taught at Christ Church except by members of the church staff or those connected with *Pine Street Players at Christ Church*.

4. Admission Fee

You are welcome to charge an admission fee (or suggested donation), however, you will then be required to pay a rental fee (see *Fee Schedule*, section C of this packet).

5. Assigned Space

Only the facility or room assigned may be used. Many groups use our facilities, some simultaneously with one another. Please be as specific as possible in listing your requirements to allow us to properly schedule your activity (see “Additional Information” for available rooms).

May 2021

6. Restricted Use on Weekends

As a congregation that must prepare for Sunday worship and programs as well as remain available for other sacramental events (e.g. weddings and funerals), use of the facilities is restricted for non-parish groups on weekends as follows:

- The main church area is not available for Saturday evening events.
- Harris House is available after 6:00 PM on Saturday evening on a limited basis.

7. Breakage

All persons and/or groups using our facilities are expected to exercise reasonable care and judgment in such use in order to prevent defacement, damage, or breakage. The person(s) signing the application for use shall be responsible for paying costs incurred by the church in cleaning, repairing, or replacing any part of the facilities or its furnishings and equipment which, in the judgment of the Rector, Sexton, Junior Warden or other qualified church representative, has been carelessly or irresponsibly subjected to more than normal wear and tear by the persons or group involved.

8. Musical Instrument Use

- a. Permission to use the church organ must be granted by the Organist of Christ Church. Only trained musicians are permitted to play this instrument. Regular use of the organ is limited to church members and students of the music staff. Arrangements for practice time must be made in advance through the music staff with the approval of the Rector.
- b. The bank of memory presets (stop combinations) reserved for visiting organists is the only one that shall be used. Under no circumstance should any combinations in any other banks be modified. Under no circumstance should any person(s) attempt to gain access to the inside of the console or the organ case.
- c. Permission to use the Steinway grand piano in the church must be granted by the music staff. If the user wishes to have the piano tuned, it will be tuned at the user's expense by Christ Church's piano technician. Persons or organizations wishing to have the piano tuned for an event must give the music staff at least one month's notice in order to secure the services of our technician. Christ Church will contract directly with the technician and bill the user for the cost. Under no circumstance should the piano be moved from its normal location.

9. Sound System Use

The sound systems in both the Parish Hall and the church are available upon request (please check the appropriate boxes on the application). An audio technician will be provided for a fee in the church. Under no circumstance should the wiring and configuration of the sound system be altered in any way. This includes, but is not limited to, reassigning mic inputs on the mixing board, altering processor settings, etc. All controls should be returned to the state in which they were originally found (as referenced by the diagram on the inside door panel). In addition, should you request that an event be live streamed from the church, a fee for this service will also be applied.

10. Live Streaming from the Church

The church has the capacity to Live Stream an event. A fee for this service and a technician will be agreed upon mutually. Copyright considerations must be clear before an event is live streamed.

If you would like to use our Sexton, your request must be received at the time you submit your application, and you will be billed at the Sexton's current rate.

When should you request the services of our church Sexton?

14. **Alcohol Use**

Alcoholic beverages are not to be consumed at any time, either inside or outside of the building. Violation of this rule may result in the immediate termination of the organization's permission to use our facilities. *The Christ Church alcohol use policy is restricted to parish-sponsored events and private events sponsored by pledging members. In all cases, permission is required. For a copy of the alcohol use policy, please contact the office.*

15. **Other Substances & Flammables**

Use of the Parish Hall fireplace must be arranged at the time of use request. The user must meet with a church representative prior to using the fireplace.

B. Building Security Guidelines

1. For one-time and special events, church and Harris House keys are not available. The church janitor (Sexton) or designated church representative will be present to open and close the building. (Please note that having someone open and close the building does not constitute replacement of the Sexton.) If the Sexton is required, you will be billed at the Sexton's current rate (see "Additional Information" below).
2. For regular use (e.g. AA, WIC, etc.):
 - a) One key will be issued by the Administrative Assistant to organizations and individuals authorized to use the Christ Church facilities.
 - b) Duplication of keys is strictly prohibited. If additional keys are needed, please call the church office (603-772-3332, ext. 11) with your request.
 - c) If the leadership and/or key holder of an activity changes from one person to another in your organization, the key should be returned to the Administrative Assistant, who will then reissue the key to the new person in leadership. This helps keep track of the outstanding keys.
 - d) When Harris House is being used, it is often useful to put the exterior doors in an "unlocked" position to allow participants to enter the building without having to knock on a locked door. Please call the church office (603-772-3332, ext. 11) to schedule a time to be shown the procedure of how to lock and unlock the exterior glass doors. The member of the organization who gets trained in the procedure should be the person responsible for unlocking and locking the doors.
 - e) All interior doors are to be locked upon departing, unless there is a transfer of the responsibility to individuals using the rooms after you leave.
 - f) When a group departs, they must relock all exterior doors. If another group is entering as the first group departs, please inform the incoming group leader which doors are unlocked, thus transferring the responsibility to secure the building to that person.
