

Ebenezer Baptist Church

A Vital Church Shares Life Together

After the Resurrection, those closest to Jesus returned to Jerusalem, eating meals, praying, and sharing life together.

“These all continued with one accord in prayer and supplication, with the women and Mary the mother of Jesus, and with His brothers.
(Acts 1:14, NKJV)

The next six weeks we are going to follow a prayer guide for church revitalization. As we come back together, we are going to focus on doctrine, prayer, and fellowship. We will have time on Sunday nights to focus intently on fellowship and making disciples in our homes. On Wednesday nights, we will have more time to pray together and understand how God changes us through prayer. Sunday morning’s worship service will center around church health.

Just like personal health, church health needs a checkup. Let’s encourage each other as we live life together and broaden our understanding of church to also mean when we share life with others at meals and in our homes.

So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, praising God and having favor with all the people. And the Lord added to the church daily those who were being saved. (Acts 2:46–47, NKJV)

Being a vital and healthy church requires us as believers to share our lives with others.

Sharing God’s love and life,

Bro. Chad
