PASTOR'S BLOG

Wait on the LORD: be of good courage, and he shall strengthen thine heart: wait, I say, on the

Psalms 27:14

Sometimes we are moved out of our comfort zone to a desert place with no answers. Change and the unfamiliar often require us to move beyond our own strength. We must hold fast to our hope that will lead the way through unexplored territory. History bears record that change can breed contagious hope bringing about a life of its own. This world is occupied with scores of people who feel all hope is gone. They are watching those who claim to have placed their hope in Jesus Christ. What do we do? How do we stand under pressure and trying circumstances? Never underestimate the influence we can have on others as they see a hope in us that is steadfast and sure. May the words Jesus said "I will never leave or forsake you" strengthen and offer hope for the journey that lies ahead of Pleasant Hill Baptist Church. Let our HOPE spread!

In the United States, **Flag Day** is celebrated on June 14. It commemorates the adoption of the flag of the United States on June 14, 1777 by resolution of the Second Continental Congress. Many Americans celebrate **Flag Day** by displaying the Red, White and Blue in front of homes and businesses. The **day** commemorates the adoption of the Stars and Stripes as the official **flag** of the United States.

Mistakes you should never make with the American Flag:

- ♦ Hang the Flag in bad weather
- ♦ Flying the Flag at night unless illuminated
- ♦ Displaying the American Flag below another flag
- ♦ Displaying Flags of many nations at different heights
- ♦ Flying the Flag at Full Staff before Noon on Memorial Day
- ♦ Orienting the Flag incorrectly when displayed flat
- ♦ Hanging the Flag upside down except for distress signal

Fathers are Wonderful People

Fathers are wonderful people Too little understood,
And we do not sing their praises As often as we should...

For, somehow, Father seems to be The man who pays the bills, While
Mother binds up little hurts And nurses all our ills...

And Father struggles daily To live up to "HIS IMAGE"
As protector and provider And "hero or the scrimmage"...

And perhaps that is the reason We sometimes get the notion, That
Fathers are not subject To the thing we call emotion,

But if you look inside Dad's heart, Where no one else can see You'll find
he's sentimental And as "soft" as he can be...

But he's so busy every day In the grueling race of life,
He leaves the sentimental stuff To his partner and his wife...

But Fathers are just WONDERFUL In a million different ways, And they
merit loving compliments And accolade of praise,

For the only reason Dad aspires To fortune and success
Is to make the family proud of him And to bring them happiness
