YES! I would LOVE to help out with VBS this year! Please contact me!

***A note about COVID:** We will continue to follow CDC recommendations for childcare/school-age kids at this time.
 We all know that this situation in our community and nation can change quickly, so we want everyone to be prepared for changes at any time; some that may allow us to be less restrictive or some that may be more restrictive. We don't know what August is going to look like, but VBS WILL HAPPEN! My motto last summer was, and still is: "A masked VBS is better than NO VBS!" God can move in so many ways through so many things! The pandemic didn't stop Him last year, and I'm just excited to see how this year's VBS unfolds! :) Follow us on Facebook to stay up to date!
Thanks for understanding! ~Miss Emily, Director of Children and Youth Ministries
