President's June Report

We start this month with great news. The Call Committee will present a candidate to fill our pastoral vacancy. The Joint Council met on May 23rd and approved the candidate. We will have a special congregational meeting on June 13th after our worship service to receive information about the candidate and vote on issuing the call. Please plan to attend this important meeting.

More great news! Mike Buttke has graduated from Lay School and is now our newest Lay Minister. Well done, Mike! May the lord be with you as you continue to touch the lives of those you meet.

The parsonage septic system replacement is underway. The new tank is buried, and the mound will be installed when the area dries out enough. Some external repairs to parsonage have been done and we will replace the carpet in the home office.

The new education building is ready for students for VBS to be held August 23rd – 25th. This summer Jodi DeBroux is going off the Education Committee and we give thanks for her extended tour serving the children of Trinity. Thank you, Jodi!

Taking Jodi's place will be Heidi Seefeldt. The continuing members are Melissa Heise, Jesse Utecht, and Jayme Buttke. Thank you all!

Rally Sunday will be in September and we will celebrate the beginning of Sunday school and have a blessing for the new building. It was a huge project and there were a few bumps along the way, but the results are beautiful. We hope that no other council will have to deal with septic or well problems or flooded basements. Thank you to all that supported this project physically, monetarily, and spiritually.

Facemask will no longer be required. The pulpit side of church will remain socially distanced, but the lectern side will not. If anyone has any concerns about this move, please call me. We will continue to have communion in the pews for now.

As stated last month we will be expanding the role of the church secretary to Parish Assistant who will work for both Trinity and St. Peter. The role will offer more assistance to the pastor to resemble the other area churches our size. In addition, there will be more data entry work. After much discussion we will be seeking someone to work a fixed daytime schedule. If you know of anyone interested there is a link on our home page trinitystettin.org that gives a description of the work and email links to send a resume.

Pam Fromm – Church Council Secretary

Your Trinity/St. Peter Call Committee has been working diligently and are excited to present a Pastoral Applicant for our two churches.

A Special Congregational Meeting will be held at each church on **Sunday, June 13, 2021**, following each respective morning service to present a Pastoral Applicant for Trinity/St. Peter. The call committee will share information about the Pastoral Applicant, share the approved compensation package, tentative start date and answer questions from the congregation.

Per the bylaws, a special congregational meeting is needed to approve the applicant. 2/3rds of the membership present at each of the meetings will be needed to approve the vote. St. Peter's must have 19 members present and Trinity 35 members present to constitute a quorum. We hope you will be present to learn more about our Pastoral Applicant.

Children's Church

VBS 2021

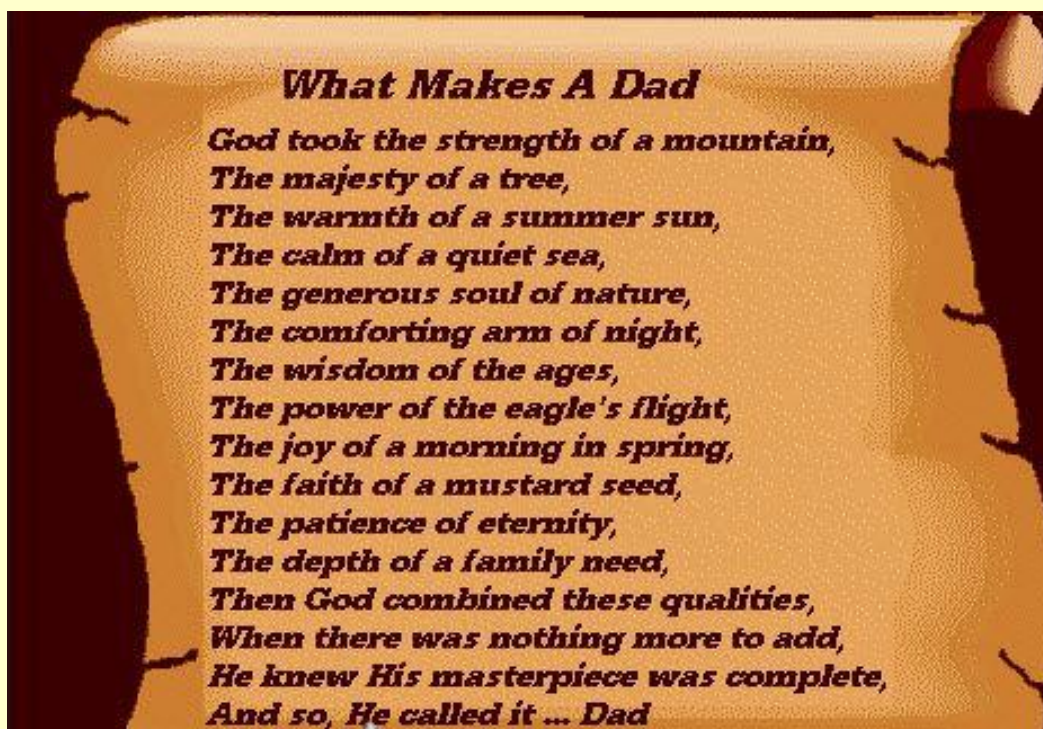

Mark your calendars for VBS 2021, Children ages 4K through 6th grade are invited to join us Monday, August 23rd thru Wednesday, August 25th for a fun filled hands on activities, crafts, and games to learn about God's love and forgiveness for us. Participants do not need to be members at Trinity, so feel free to invite friends, family, and neighbors. We are also looking for volunteers to help so please let the education committee know if you are interested in helping.

General Announcements

WITH NOT HAVING A PASTOR please let Mike Erickson know if you know someone or you need to be added to the shut-in list. (Pastor Phil had been doing this.) Mike will then email or call Sharlene Hieronimus, and Dick or Janice Hawley and they can then contact the person. Sharlene, Dick, and Janice can give communion over the phone or just call with a prayer and visit. Please also inform them if you or your family member are moved to a different nursing facility or assisted living home, as the facilities/homes do not share this information with us.

THE WELCA OF TRINITY would like to collect items for the shut-ins, particular magazines for both men and women, puzzles, large print word find puzzles, playing cards with directions for solitaire games and large print calendars with inspirational thoughts. If you have any of these items and would like to donate them or if you come across them, please place them in the World Relief container under the mailboxes and the committee will delivered them to those who need them. A special thank you in advance from the shut-ins and the WELCA group.
