*Dear Pastor and Friends*

*"And Jesus came and spake unto them saying, All power is given unto me in heaven and in earth" Matthew 28:18*

*Once again we write to you, grateful for the Lord's authority that we have to be preaching and teaching the Word of God to the unsaved world as He leads.*

*We are so grateful to you our faithful friend for your prayers and support. God has kept us going in this crisis with the corona virus.*

*The preaching and worship services have been slowed down but not completely halted. God is still working and convicting people of their need of salvation. We write to let you know that we pray for you and the churches in the USA, as we know you all are affected by this crisis.*

***On my previous letter I mention Aaron & Luly, they have been doing well in the new Church that was planted in a remote village of Sonora. On***

***March we had an Evangelistic meeting for 2 days then he had his first service meeting, we all rejoice on this precious event.***

***On April we had our annual missions Conference. It was fabulous, people surrendered their life's to serve God and, in general, the Church had a good respond to pray and to give for others on the mission field.***

***On May, by God's mercy, we celebrated moms 80<sup>th</sup> birthday, she has been doing well, still loving, praying and supporting everything that is related to missions. She is our heroine!!!***

***God has allowed us to prepare faithful men and women for the mission field. This month a young man graduate from our Baptist Bible Institute. He and his wife would like to go help a Missionary on the field.***

***My dear Pastor, Lou Jurva, will be retiring from pastoring. My family and I will be traveling to Michigan to be in the transitional service. God has new plans and a new Pastor and a great team to lead Sheridan Road Baptist Church.***

***I appreciate your prayers, your monthly support, your love, your emails, your congratulation cards and all you invest in us. May God bless you all.***
