A NOTE FROM THE PASTOR

I want to turn our attention this morning to friendships. Many of you have been a member at MBC for years, maintaining friendships that span decades. Some of you are family and your friendships are lifelong. St. George is known as "the town of friendly people" and I've seen nothing less of that during my few months here. While friendLINESS is important, it does not compare with friendSHIPS. We do not want to be a church of only friendLINESS, we want to be a church of true friendships. With that being said, making friends is not always easy. Making friends takes work, and sacrifice and selflessness. I believe making friends is imperative for Christians. How can we make disciples of all people if we can't first make friendships with them? In the coming days our church and our community will have many new faces. I encourage you to think beyond your comfort zone and ask God to help you befriend and see the newcomers. Today, if you see an unfamiliar face, simply welcoming them could be the start of a friendship. Sometimes a question like "what brings you here?" can be enough to strike up a meaningful conversation. One of my favorites is "what was the highlight of your week?" I've always believed friendships are strengthened around a meal table. Who have you invited to your meal table this month? Let's be a church of true friendships! We are not called to only build friendships with people similar to us, but we are called to make disciples and build friendships with all people. Some of my greatest friendships have come from people vastly different from from me.

John 13:34-35 "I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another."

We all know that the foundation of loving someone is befriending them. People today are desperate for genuine friendships and we are called to bring the ultimate friendship to all people!
