PASTOR'S BLOG

And whosoever doth not bear his cross, and come after me, cannot be my disciple. For which of you, intending to build a tower, sitteth not down first, and counteth the cost, whether he have sufficient to finish it? Luke 14: 27-28

Summer is in full swing and once again family vacations are being planned. Much thought is given as to when and where to go. Also taken into consideration is how long the stay will be and the cost. The idea of an extravagant vacation breeds excitement. Thoughts of a new adventure and sights the eyes have never seen can prevent sleep as anticipation fills the mind. As excitement builds and plans are being finalized often a question comes to mind once again. What will the cost be? This may indeed be the deciding factor as to whether or not to invest in the trip.

In the Christian walk God has made plans to take us on new adventures. Often His plans take us to places we've never been. Our spiritual eyes will be opened to see things we've never seen before. The Holy Spirit will reveal the destination and time of departure as we seek His direction. There will also be a cost. We must be willing to lay down our agendas and permit Him to lead. As we are filled with excitement about following Christ and answering the call often questions begin to arise. One question is many times at the top of the list. What will the cost be? May we be willing to pay the price required to live a life totally surrendered to God. He gave His only Son to die on a cross that we might have everlasting life. We have not been asked to die but we have been asked to present our bodies a living sacrifice. We can live a life that brings Glory to God because Jesus laid His life down and rose triumphantly the third day.

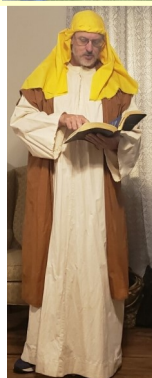

I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. Romans 12: 1
