

## A Prayer for More Resting and Less Fretting

By Scotty Smith

Be still before the Lord and wait patiently for him; do not fret when people succeed in their ways, when they carry out their wicked schemes. Refrain from anger and turn from wrath; do not fret—it leads only to evil. For those who are evil will be destroyed, but those who hope in the Lord will inherit the land. **Ps. 37:7-9**

Dear heavenly Father, you send your Word with Swiss timing and uncanny precision. Whenever I'm vexed or fretful, you bring your daily mercies to bear. Whenever I'm confused or anxious, you meet me right there—with grace, not shame. Whenever I feel vulnerable or angry, you center my heart, by the Scriptures and your Spirit. **Thank you** for such faithful and Fatherly care.

Like a little school of piranha, there are a few things nibbling away at my peace that I want to bring before you. The success of those who've hurt people I love isn't easy to swallow. The ongoing globalization of terror is heart-wrenching and crazy-making. The state of health care and the political gamesmanship of power in our country... How long, O Lord, before you send Jesus back to put all things right?

Your voice in this Scripture is just what I need today. You won't give me a date, but as always, you do give me yourself. I hear you loud and clear, Father. You're speaking stillness and fretless waiting to my heart. **No good** comes from my obsessing about evil and evil making. Nothing profitable results from my spending extra time fertilizing my anger and fueling my disgust.

A Day is coming when the knowledge of your glory will cover the entire earth as the waters cover the sea. The whole world—not just one small and important bit of real estate in the Middle East, is holy land. The New Jerusalem is coming down from heaven, not a day early and not a day late.

Until that Day, I will seek to seek **first** the kingdom of God, and the righteousness of King Jesus. How I praise you that the very righteousness with which you have already robed me is the very righteousness with which you are going to fill the earth.

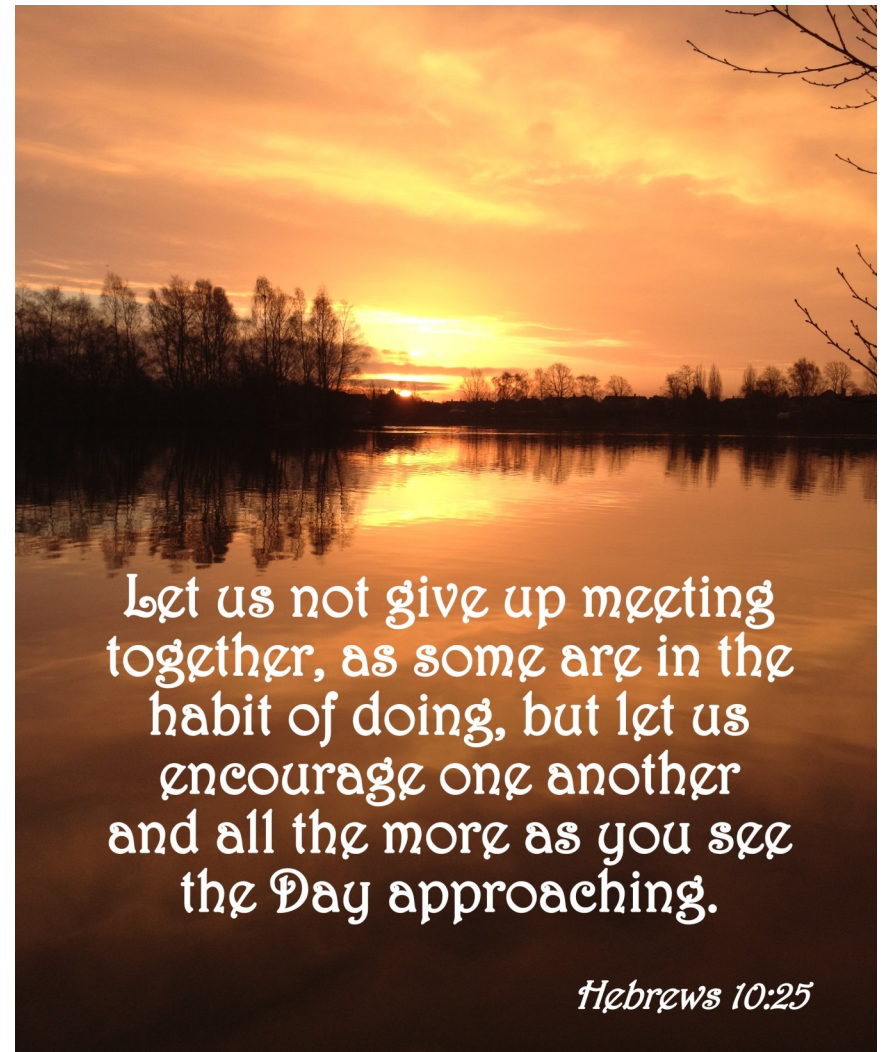

You've already made me both your son and an heir of the new heaven and new earth. Hallelujah, **many** times over. So today, I choose faith over fretting; stillness over agitation; patience over pettiness; trusting you, over vexing about others; the gospel over gossip. So very Amen I pray, in Jesus' loving and powerful name.

### Benediction

God blesses his gathered people with his Spirit:  
The Lord engages himself to let forth as it were, a stream of his comfortable, quickening presence to every particular person that fears him, but when many of these particulars join together to worship God, then these several streams are united and meet in one. So that the presence of God, which, enjoyed in private, is but a stream, in public becomes a river, a river that makes glad the city of God.

## God's Gracious Provision 7/18/2021

Attendance: 53

Offering: \$3178.00

*Your offering may be place in the box at the Welcome Table.*

When Jesus rose from the dead on the first day of the week, things changed. Christ, the second Adam, “finished” ([John 19:30](#)) the work that the first Adam failed to do ([Rom. 5:12-19](#)). Because of that pivotal event, the church determined that for Christians under the new covenant, the day of worship and celebration of the Lord’s grace in Jesus Christ was to be the first day of the week, Sunday: “From the beginning of the world to the resurrection of Christ, [the Sabbath] was the last day of the week; and, from the resurrection of Christ, was changed into the first day of the week, which, in Scripture, is called the Lord’s day, and is to be continued to the end of the world, as the Christian Sabbath” (WCF, 21:7).

### The Church Gathered

The local church is not *less* than a people, true, but it is more: it is a people *who gather together in a place*. A church without any gathering place — that is, one that never assembles — is not a church. At least not according to Jesus. If a church never meets, it is no church at all. Meeting, however, isn’t just something churches *do*. A meeting is, in part, what a church *is*. God has saved us as individuals to *be* a corporate assembly.

The word in the Greek translation of the Old Testament for “assembly,” *ekklesia*, is the same word the New Testament writers use to refer to the local church. It’s simply the term for a gathering. But when applied to the church, it carries the rich Old Testament connotations of standing together as God’s chosen people.

“In assembly, the church... becomes conscious of itself, confesses itself to be a distinct entity, shows itself to be what it is—a community (a people) gathered by the grace of God, dependent on him, and honoring him. The assembly allows the church to emerge in its true nature.”

—Everett Ferguson

### Sabbatical Plans for Pastor Rick

During the five sundays in the month of August the elders of Grace Covenant Church have granted our pastor the privilege of taking a sabbatical. This is something that churches often do for their pastors but to date our pastor has never had the opportunity to take a sabbatical at any of the churches he has ministered.

The sabbatical definition is “a break from work” during which employees can pursue their interests, like traveling, writing, research, volunteering or other activities (or even rest). During that time, the employee is still employed at their organization, but they don’t need to perform their normal job duties or report to work.

Pastor Rick will be taking this time to understand and study the church's response to the recent cultural challenges that unless mitigated will result in the church becoming the enemy of society needing to be extinguished for the good of the future. These include critical race theory, transgenderism, etc.

While our pastor is away the elders will be assuming the necessary responsibilities for the church to continue to function without interruption. The pastor may be contacted in an emergency but please do it through an elder during this time.

Elder contact information is as follows:

Matt Deichert - 484-300-9999 or [Deichert210@comcast.net](mailto:Deichert210@comcast.net)

Bob Priest – 856=535-0220 or [rgpriest@live.com](mailto:rgpriest@live.com)

Karl Yorgey - 610-310-7638 or [Kyorgey1@gmail.com](mailto:Kyorgey1@gmail.com)

Please pray for both our pastor and the elders during this time; that it will result in a more prepared church to meet the challenges that face us in this world.

## Message

### God’s People Must Gather

*Hebrews 10:19–25 (ESV)*

*Therefore, brothers, since we have confidence to enter the holy places by the blood of Jesus, <sup>20</sup>by the new and living way that he opened for us through the curtain, that is, through his flesh, <sup>21</sup>and since we have a great priest over the house of God, <sup>22</sup>let us draw near with a true heart in full assurance of faith, with our hearts sprinkled clean from an evil conscience and our bodies washed with pure water. <sup>23</sup>Let us hold fast the confession of our hope without wavering, for he who promised is faithful. <sup>24</sup>And let us consider how to stir up one another to love and good works, <sup>25</sup>not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.*

“There is, however, a more subtle snare lurking in this world of immediate access to information that affects Christians in a unique way: the temptation of allowing online sermons to displace one’s commitment to hearing God’s Word preached in person alongside fellow covenant members at the place and time where their local church gathers. Don’t misunderstand, listening to sermons online is generally a good thing. But when it takes the place of gathering with God’s people to hear God’s Word in person from the appointed shepherd of your soul, much of what God intended for our growth as followers of Jesus gets lost.”

—Brian Croft in “Tabletalk Magazine”

### Why we worship on Sunday

From creation onward, the people of God worshiped on the seventh day of the week. This was a “creation ordinance” that the Creator Himself established by His example, with the intent that His creatures would follow it. He worked six days and called His image-bearers to work (Gen. 2:15); He rested on the seventh day (Gen. 2:2; Ex. 20:11; 31:17) and called His image-bearers to rest.
