Message

Understanding Prophecy II

1. Creating nonexistent symbols or giving meaning to things that have no meaning
2. Accepting the certainty of the obscure interpretations of symbols
3. Prophecy may be grouped logically and not chronologically
4. Unseen Intervals or gaps may exist in prophecy
5. Understand the difference between covenants and dispensations

Conclusion

Mark 13:32-37

We only all have a short time, and we don't know how much, make the most of your time you have and don't sleep through life, wasting life on things that really do not matter.
