

## REDEEMER BIBLE CHURCH COVENANT

Having followed the Lord's leading to join together as this local church on the basis of our shared relationship with Jesus Christ, we joyfully affirm this covenant with one another and with God, in dependence on his gracious help.

1. We will seek to devote ourselves together to the teaching of God's Word, to edifying fellowship with each other, to the ordinances of baptism and the Lord's Supper, and to prayer. We also will seek to proclaim the gospel of Jesus Christ to others, to give financially to the needs of this church, and to join in the worship of God.
2. We will seek to fulfill the responsibilities that the Scriptures lay upon us toward one another: to love one another, be kind to one another, serve one another, help one another, edify one another, instruct one another, exhort one another, encourage one another, accept one another, prefer one another, bear one another's burdens, and pray for one another.
3. We will seek to maintain the unity of the Spirit by pursuing peace with one another and resolving conflicts quickly when they arise. We will seek to protect the purity of this church by giving and receiving Biblical exhortation to remain faithful to the Word of God in our beliefs or conduct.
4. **Elders:** We commit to lovingly care for all the members of this church, seeking their good and providing spiritual leadership according to the humble example of our Lord Jesus Christ.

May the grace and blessing of God the Father, Son, and Spirit be upon us all, and may he receive glory in this church by Christ Jesus. Amen.
