*Preserve me, O God, for in you I take refuge. I say to the Lord, "You are my Lord; I have no good apart from you." You make known to me the path of life; in your presence there is fullness of joy; at your right hand are pleasures forevermore. - Psalm 16:1, 2, 11*

### **Our Father who art in Heaven...**

#### **Hallowed be Thy name...**

- Thank you, O God, for not leaving us in sin and death, but making known to us the path of life!
- God our Refuge, truly we have no good apart from you.
- Only in your presence can there be fullness of joy.

#### **Thy kingdom come, Thy will be done...**

- Preserve, O Lord, those you've moved from the kingdom of darkness to your kingdom of light.
- Whether brand new believers or long-time or somewhere in between, make your people strong, alert, discerning, obedient, and faithful.

#### **Give us this day our daily bread...**

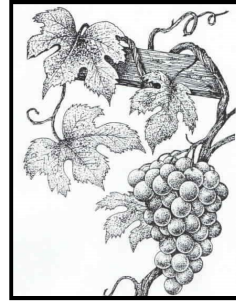

- Lord, thank you for seeing Esther Carrick safely through the virus that caused her high fever.
- Faithful Savior, we praise you for Marilyn DeBoer's faith and ask that her passing be peaceful and your grace and comfort be upon her family.
- Lord God, continue to give Jennifer Nesbitt consistent healing of her arm and your encouragement and help through the process.
- We praise you for the beautiful new life of John David Burtchett, born to John & Stephanie on August 21.
- We pray with missionaries the Wimbushes: -Thank you for making it clear to do remote work for now; -Show them which roles to take up in that; -Give peace & confirmation to them and their children as they continue to follow you.

#### **Forgive us our debts as we forgive our debtors...**

- Father, forgive us for each moment we have spent living and thinking as if we are sufficient in ourselves.
- The temptation is always there to be independent from you. Forgive us for giving in to it in ways big and small.

#### **Lead us not into temptation, but deliver us from evil...**

- Instruct us in our hearts by your Holy Spirit, Lord, and give us your counsel, for by it are we are strengthened and preserved.
