A NOTE FROM THE PASTOR

Church,

Fifty-seven years ago this week, the film adaptation of Mary Poppins was released. The movie starts off with a wind of change blowing into the lives of a very needy family. The wind blows in none other than the practically perfect in every way Mrs. Mary Poppins. She swoops in to be the savior for the Banks family. It's a magical movie with ups, downs, adventure and a happy ending.

As believers we think it may be nice to have a magical bag, just like Poppins and pull out whatever we wanted. We could pull out distractions from our current state or problems. Wouldn't it be nice to pull out a brand new four door truck? Maybe you wish you could reach in and pull out a million dollars! While that would be nice in the moment, we can be assured that our God has given us a much better gift than any Disney "bag" ever would. This is not to say that we do not have real needs or pains, but there is nothing we could ever pull out of a bag that could make those go away forever.

"Not only that, but we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit who has been given to us. For while we were still weak, at the right time Christ died for the ungodly. For one will scarcely die for a righteous person—though perhaps for a good person one would dare even to die but God shows his love for us in that while we were still sinners, Christ died for us." (Romans 5:3-8)

DOORS LOCKED – The doors of the education building (by cemetery) and the door by the church office (on porch) are locked during morning worship to prevent entrance from outside. If you need to go to the nursery during the service use the outside aisle in the sanctuary and exit by the piano. If you need to use the restroom, do the same or go outside via the front doors of the church and use the fellowship hall. Parents Should accompany their children if they go outside at any time.

PLEASE NOTE – If anyone knows of any repairs needed around the church (including equipment), please get a “maintenance request” form from the bulletin board on hall across from the copier room, fill it out, and return it to a Trustee or church office.

CAN YOU HELP? If you would be willing to check/change the filters in all the A/C units at the church, once a month or every other month, please call the church office (843-563-3058) or Mary (843-560-8150)
