## PASTOR'S BLOG

You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; to be made new in the attitude of your minds...

Ephesians 4:22-23

We can overcome negative thinking and mindsets caused by pain from the past. Not only can we but it is a must if we are to live a life of victory. This can be accomplished by asking God to help us move beyond the adversities we've been through. He wants us to have a healthy mind, body and spirit. Letting go of the past is the key to moving into the future God has prepared for us. It can be done but not in our own strength. Those who were brought out of Egypt and died before getting to the promised land did so because they could not see themselves as being anymore than slaves to the past. All the while God longed to give them a vision of a land flowing with milk and honey.

There is rest for God's children. We can experience peace and contentment in this life but it must begin with the promises of God. Along with claiming His promises we must encourage ourselves as David did in Psalm 27:13-14 <sup>13</sup>I had fainted, unless I had believed to see the goodness of the LORD in the land of the living. <sup>14</sup>Wait on the LORD: be of good courage, and he shall strengthen thine heart: wait, I say, on the LORD.

We should stop thinking of all we've lost, all we are not and the way we have been treated in the past. Setting our minds on Christ will put things in perspective and give us a vision of what He has in store for each of us. Our hope should never be based on what our eyes still

see from the past but on God's promises. He will bring us to our promised land.

He who works with his hands is a Laborer. He who works with his hands and his head is a Craftsman. He who works with his hands and his head and his heart is an Artist.

Labor Day is **an annual celebration of the social and economic achievements of American workers.**

The purpose of the holiday, is **"to honor grandparents, to give grandparents an opportunity to show love for their children's children,** and to help children become aware of the strength, information, and guidance older people can offer."

Begin this Week of Prayer for the Dixie Jackson Arkansas Missions Offering by asking God to ignite a vision in your heart for your role in Arkansas missions. Ask God to use your daily faithfulness to open pathways for the Word to spread in your community. September 12-19 Week of Prayer

On September 17, 1787, the Founding Fathers signed the U.S. Constitution. For the past 225 years, the Constitution has served as the supreme law of the land. The Constitution, along with the Bill of Rights and other amendments, define our government and guarantee our rights. Each year, on September 17, Americans celebrate Constitution Day and Citizenship Day. In addition, September 17-23 is also recognized as Constitution Week. During this time, USCIS encourages Americans to reflect on the rights and responsibilities of citizenship and what it means to be a U.S. citizen.
