"Great is the LORD, and greatly to be praised:" Psalm 145:3

Dear Prayer Warriors and Faithful Supporters,

WOW, the Lord is good. First, I want to say thank you to my supporting church families for loving me and caring such a great deal for the work in South Africa. It was also great to be able to spend some quality time with my family. I have to say though as much as I love my home country and family there is nothing quite as special as arriving back with my ministry family and HOME.

I arrived back home in Port Elizabeth, South Africa on July 15, 2021 after only a few little bumps in the road, Praise the Lord. It was so great to be greeted by some of my co-workers and church family. My first two weeks back were packed with all kinds of excitement as Little Fish Ministries' newest teammates, Matthew and Courtney Womack and their 3 children arrived for their survey trip. We had an amazing time getting to know them better and sharing the ministry here in PE. To the right is a picture of a workday at LFM property while they were here.

It was very exciting to be able to get back on the Little Fish Ministries property and see all the clearing and building that has been taking place in my absence. As of right now, moving on property for myself and Lorna Mitchell is scheduled to take place by the end of September. The Lord is moving in people's lives and we are hoping and praying that we will be able to open up to take in children the beginning of 2022.

Below you will see a picture of the Baby Safe which is a safe place for people to abandon their babies rather than just throwing them in the trash. It is in need of a little bit of work, but we cannot wait to see how the Lord uses this in our ministry.

When I first arrived back, we were in Level 4 of lockdown which meant that we were still unable to meet in our church building. What a blessing on the July 31st we were able to again have services and I had the opportunity to get back into teaching the children's Sunday School class. I'm so excited to see that the Lord has grown the Abundant Life Baptist Church family in such amazing ways.
