**A NOTE FROM THE PASTOR**

Church Family,

I'm happy to say we are officially in our new "church year"! I've been praying for us as a church – that we would grow deeper in our love for Jesus. I pray you all were able to get outside on Friday. It was absolutely beautiful and a wonderful reminder that Fall is right around the corner. I couldn't help but be reminded of God's Grace. I am often confused at how some people think our existence and world are essentially a giant accident. The fact that the breeze can blow lightly, the sky can be bright blue, birds can fly and chirp (simultaneously), and caterpillars can transform into butterflies without assistance is nothing short of a miracle. God has perfectly ordained all of these things to work together to glorify His good name. Not only is the world beautiful naturally, God has also given us the senses to perceive His beauty in it all. God has made beautiful things that we can experience – what a gift! Friday was a gift that reminded me of all of these things. Some days I just have to say "Thank you!"

"The heavens declare the glory of God, and the sky above proclaims His handiwork." Psalm 19:1
