### Join us for a Bible Study

based on *Scripture and the Skeptic* by Eric Huffman, a book about facing the hard questions we have about the Bible, wrestling with it's challenges, and renewing our confidence in its reliability and power to change lives. From the author: "*The Bible is the true story about the true God who is truly in love with the people that he made in his image. I used to say that the Bible is an imperfect book for people who think they're perfect, but now I believe that the Bible is the perfect book for people who know that they're not. This book is made up of 8 chapters that tackle tough questions like is the Bible fact or fiction? Is the Bible racist? Why does the Bible seem backward on modern-day issues that people care about today?*"

Sign-up in the lobby or contact the church office to reserve your copy of the book -
