

Parents/Guardians:

Thank you so much for bringing your child to AWANA on Wednesday evenings from 6:30-8!

On the front cover of your child's book is an **optional** schedule to help your child complete his/her book this year. If completed this year, they receive a special award at the AWARDS night in May!

It would be awesome if you would be willing to review the sections your child will be covering ahead of time. If you are interested in tips on helping your child at home with memorization, don't hesitate to contact your child's leader! :)

We are so grateful to have your child with us at AWANA!
