

BEN BURKHOLDER

ASSOCIATE PASTOR

I was born in central PA and from the earliest days has yearned for a deep connection with God, which initially led him to attend Cairn University for a B.S. in Bible. At Cairn, I met my wife, Jen, and together we have two beautiful daughters. After getting married, we attended seminary together at Talbot School of Theology in Southern California where I completed a M.Div. with a focus in Spiritual Formation and a Th.M. in New Testament. From seminary, God brought us to Pittsburgh for me to get a Ph.D. in Systematic Theology program at Duquesne University where I focused on the theology of the atonement for my dissertation. In 2016, I was called as the Assistant Pastor at North Park Church and have been overseeing a variety of ministries at the church including Missions, Outreach, Care Groups, Men's Ministry, and Compass. In my spare time, I enjoy being outdoors and reading.
