

KELLY LAIRD

DIRECTOR CHILDREN'S MINISTRY

I am the Director of Children's Ministry. Long-time member of North Park Church, I was an elementary school teacher for many years before being called to this role. Gary and I have been married since 1992 and have three grown boys, Jd (wife Juliana), Drew, and Josh, who all grew up at North Park.

In my spare time, I enjoy playing volleyball, gardening, sewing, repurposing, and attending soccer games and other sporting events, especially those of her husband's and son's teams. Her life verse is *Colossians 3:23* - "Whatever you are doing, work at it with enthusiasm, as to the Lord and not for people."
