

Community Church of PK Monthly Members Meeting August 15, 2021

The August Business Meeting was called to order by Council Moderator Tammy Marsh at 12:56pm on Sunday, August 15, 2021. Opening prayer was given by Pastor Glen James. There were 12 members present.

July Business Meeting Minutes and Financials were approved as posted.

Old Business

Kevin thanked Terry for stepping in faith and filling the vacant seat on the church council. Terry said he felt called to join the council and is glad to be able to do it.

All new computers have been installed, one old one has been scrubbed and is in the youth classroom for use if needed. Open gym starts this week Tuesday and Thursday 9-11am, please let your friends know and that anyone interested needs to enter through the door by the offices. Prayer Meeting for school starting will be on Monday, August 16th at 5pm

Mission Allocation changes- The council has agreed due to the amount in the mission contingency fund, that the 1% of mission allocation going to it will be moved to Charlie's Angels instead. So Charlie's Angels will be at 2% instead of 1% in January.

New Business

The security cameras need to be moved from Pastor Glen's office into the main office so that Rebecca can be able to see what is happening around the church during business hours. When inspecting cameras, it was noticed that several have water in them and the picture is very grainy. The estimate to upgrade the security system, replace the cameras with the water, and move them since they are hard wired is \$1200. This has already been approved by council in last meeting and this has already been scheduled to do pending the church's approval at next business meeting.

Tammy presented the list her and Rebecca worked on providing ideas for fellowship in the church. We are trying to let people know we are open, available and to try to get more people to come to church. The list will be available at the next meeting for everyone to see, or if anyone has any ideas please share them so we can put them in action. The main thing is if people have ideas please help organize the event you share so that it isn't always the same people having to do everything. We want to encourage people to be more involved with the church.

Blanket Ministry

This month's meeting was cancelled due to no one being available.

Building/Grounds Committee

Roy will get oil and filter to do mini service on the lawnmower. Playground equipment needs to be checked more often. Pest control guy will be here Friday, August 20th to deal with the mice that have been spotted in the church.

Student Ministry

We are averaging 18 kids per night. There were 35 at the back to school swim party we had on August 4. Tammy leads the youth, Crystal leads the children and Rebecca is stepping back into a helper role and

helping Crystal with the children. We need volunteers to help in the kitchen for if Kay and Gayle decide they want to step away sometime. Tammy and Rebecca can prep everything and get the food ready, it is mainly to have someone at the church while they run the bus route and to help with cleanup after the meal. Terry suggested having a youth led service once a quarter to try to get kids back in the church on Sunday mornings. Tammy said it was great idea and would be discussed. Since school is starting back up on Wednesday, things should start to level out as far as people being out of town, etc.

Music Ministry

5th Sunday singing is August 29, at the Methodist Church in Graford. The Praise team has several fun songs to do. Praise practice has been moved to 6-8 on Thursdays following immediately after the adult bible studies. This allows the praise team more time to prepare for Sunday.

Women's Ministry

We are still planning our trip for September 24-25 to Yukon Oklahoma for the Courageous Women of Christ 2021 Conference. So far we have 5 ladies signed up to go, we have 2 hotel rooms booked to stay in and are just hoping more ladies join us as we fellowship together.

Pastor Report

Pastor has reset his goals and purpose to be a better leader and pastor of the church. The pulpit is not to be moved anymore, it is to be revered as it should be. Glen and Rebecca will test the equipment for movie night in the gym to ensure the sound is good.

Andy Self made a motion to adjourn, seconded by Tammy James, none opposed. Closing prayer was given by Pastor Glen James, meeting was adjourned at 1:47pm.
