A scenic view of a waterfront. In the background, a large, multi-story building with a light-colored facade and several windows is visible. To the left of the building, there are several palm trees and other tropical vegetation. To the right, there are more trees and a smaller building with a gabled roof. In the foreground, a body of water reflects the sky and the buildings. A small dock with a white railing and a small boat is visible on the left. The sky is filled with large, white clouds, and the overall atmosphere is calm and serene.
