Dear Pastor and Friends

*Blessed be the Lord, who daily loadeth us with
benefits, even the God of our salvation. Selah.
Psalm 68:19*

My heart is full of praise unto the Lord for the work that He has permitted accomplished.

My dear Pastor, Lou Jurva, has retired from Pastorate. He invited me to be in the transition service. It was a service of mixed emotions since I see my pastor of many years going out and doing God's will in another area and at the same tie meeting my new Pastor, Keith Williams, who has a desire to keep fulfilling God's purpose for our sending Church.

While I was in that area of Michigan I was able to share the Word of God in some Missionary conferences and also visit some churches that have supported us for many years and other new churches that were very kind to receive us and even some decided to start supporting our ministry here in Mexico.

THANKS all of you for your kindness (still have in mind to visit our other supporting churches).

During the summer, after a year of absence due the pandemic, we were able to carry out the youth camp. They not only did enjoy the recreational

activities but they let God speak into their lives. Some got their lives right with God and others decided to surrender their lives to serve Him.

Our Church Bible Institute started in September, and praise the Lord we continue focus on preparing laborers for His Harvest.

new believers have a desire to go share the

We also had some baptisms and these remained faithful with Gospel with others.

We are so grateful to you our faithful friend for your prayers and support.

I appreciate your prayers, your monthly support, your love, your emails, your congratulation cards and all you invest in us. May God bless you all.

In Christ with Love
