

Faithful is he that calleth you, who also will do it. 1Thessalonians 5:24

Dear Pastors and Co-laborers,

October/November 2021

Greetings and salutations through that name above all names, our Lord and Saviour Jesus Christ. We want to wish each of you a very merry Christmas and pray that you have the opportunity to celebrate the birth of our Saviour with friends and family. We also wish each and every one of you a Happy New Year and pray that you are able to face 2022 with complete confidence in our God and His ability to provide for your every need.

The last couple months have gone by in a blur. We have been so very busy just as we are sure each of you have as well. I would like to update you on our building situation. First, I would like to thank those of you who have been able to give financially in support of the next facility for our church, it means the world to us. In November we were informed that the owner of our facility had lowered the asking price and it was promised to be purchased by another company. They came and visited the church and were taking measurements for how they would set up offices. It does not look as if we will be allowed to continue there as a church. Nevertheless, we find out the exact intentions of the new owner after the 18<sup>th</sup> of December. With that being said, we have looked at quite a few new facilities and have yet to find one that will meet the needs of the church. Please continue to pray with us as we look for a new facility. Also, please pray about your ability to assist us with this transition. It will be quite costly (\$60k-\$120k) to move into a new facility and we appreciate any assistance you are able to give (BIMI Account #1428).

We have had a very busy schedule of late. We started with the first annual YBC Harvest Festival. It was a great time of games and fun. Our church folks stepped up to the plate and created some amazing booths for the children and local visitors. We had a total of 11 different game booths and a kitchen selling everything from hotdogs to cotton candy. We were blessed to see many visitors and had a total of around 100 guests in attendance.

We had a great Veterans Day service and were excited to see everyone in their uniforms. On a personal note, my wife and I celebrated our 27<sup>th</sup> anniversary this past November. I was blessed to be able to take her on a short two day get away and we greatly enjoyed the time together as we walked around the city of Yokohama. Finally, we closed out November with the celebration of Thanksgiving. It was such a great time of food and fellowship. We were blessed to hear the testimonies of several of our members and it was an all around success. Please pray for the following requests: **1.** That we can find a facility quickly. **2.** That the finances needed would be available for the transition. **3.** That our incorporation comes through. Additionally, please be faithful to keep us, the local nationals, and the U.S. Military in prayer as we seek to win the lost for God's glory.

Until we meet again, God bless....

Because of Calvary,
