

Dear friends and supporters,

It's a bright snowy day here in Minnesota. Now we have a fresh coat of nearly four inches. I guess one could say this one might be around for a while.

We are dropping you another note about the Chimane Radio ministry. We are still in the "process" of doing the paperwork for a new license. We ask prayer for those working on this, as nothing will be moving very fast during the holidays in Bolivia.

We also wanted to remind you if you give financially to the Chimane Radio Ministry, this month will be the last month you can do that. The account for Chimane Radio will no longer exist after December 31, 2021.

We would like to invite you to help us meet the needs for recording and dubbing these video projects.

This Chimane fellow is recording and sending sound clips via email to us from his location in Bolivia for the JOHN video. There are about 300 audio clips just for episode one of JOHN. We are making good progress on this film so far.

The Gospel of John

The Gospel of John video, released in 2003, reflects the advances in filmmaking over the years compared to many other popular scripture videos. It is the story of Jesus' life as recounted by the Gospel of John on a word-for-word basis from the American Bible Society's Good News Bible. This film follows John's gospel precisely, without additions to the story from other gospels, or omissions of complex passages. Total running time: 3 hours.

Two Ayore speakers for the ACTs video.

They are recording from their village using cell phones. The fellow with the cell phone has to go to a high spot on a hill to grab a better signal to send the audio clips via email. Fun Stuff! We are making progress.

If the Lord should lead you in helping us with these recordings instead of the Chimane Radio, this is a great ministry need. Please look up the website and you can read about and pray for this video ministry.

Thank you so much for all your prayer, support and faithfulness!

Merry Christmas!

Bruce and Jan Johnson and the video team

You can send you gifts to the address below or visit our website at:
