Dear Pastor K. Preston Gray and Harvest Baptist Church,

Greetings from John and Jeri-Ann Cook, your missionaries to Canada. We thank you for your continued prayers and financial support of our ministry. We praise the Lord for all that He continues to do in the churches in Canada.

The difficulties of the restrictive actions of the government of Canada, as so many other countries have done so also, the churches continue to go forward in their service for the Lord. Recently, I spoke with three of the pastors serving in the churches and what a joy it was to hear them praise the Lord for His blessings. Oh, they shared their concerns for those that have taken the opportunity to stay out of church, like in so many churches, choosing rather to “attend” online. Still the Lord has raised up those that have determined to obey the Lord, in not forsaking the assembling of themselves together, “as the manner of some is and so much the more” in this very trying time.

I told them, “I believe that the Lord is allowing these things to clean up the churches. Clean up in the sense of revealing those that are going to obey what God says, in any event, concerning faithfulness to the church assembly.”

Pastor Jason Bueckert, said that he believed we could be seeing the transition leading to the rapture and the revelation of the antichrist.

My reply to this is, “Even so, come Lord Jesus!”

Please continue to pray for these pastors and churches that the Lord may find them faithful in His service.

May God bless each one of you with a great Christmas and should he tarry a fruitful New Year to His glory.
