**Together we do so much more
Thank you for loving the lost!**

Southern Baptists show that love by sending and supporting missionaries. The evidence suggests that love is growing because the number of Southern Baptist Missionaries serving around the world is growing and so is the impact of Southern Baptists among the nations.

The global need for the gospel is more urgent than ever. ***4.5 billion people are still unreached.*** Around the world today, people are dying lost and that number is not shrinking; it's growing. We cannot slow down. We cannot be distracted. We cannot be divided. We must not be deterred. The vision of heaven is not yet fulfilled. The nations are waiting. We still have work to do.

We approach our Lottie Moon Christmas Offering goal with prayer, humility and trust, knowing it will take all of us—each and every Southern Baptist church—working together towards the Revelation 7:9 vision. Let's reach the nations ***together!***

Thank you for supporting in fervent prayer and generosity the work of our International Missionaries.
