Thank you very much for your gift to the chapel. Please reach out to us for additional help.

I would also like:

- To learn more about becoming a member of the Chapel
- To talk about remembering the chapel in my will or living trust.
- To learn about fulfilling my promise through electronic payments
- A personal call from Pastor Carr

This card is important for the chapel to set its budget for the coming year. Our intention is to give you some time to think and even pray about how you can support the chapel and sustain our many programs. With your financial help, we can provide ways to kindle great friendships with others, explore new experiences, deepen your faith, and build up our community. The faith-promise idea shows that your gift is not from what you already have, but how God will provide you the funds next year, by FAITH!
