"False repentance dreads the *consequences* of sin; true repentance dreads *sin itself*."  
Albert Barnes

2. The \_\_\_\_\_ (2:41).

Misconceptions about God abound. But they don't have to. God has revealed His character in Scripture, illuminating the attributes that define Him. While we, being finite creatures, can never truly comprehend everything that God is, we should study what He Himself has said. In this 16-part teaching series, The Attributes of God, Dr. Steven Lawson

articulates a biblical understanding of divine attributes and explores how a right understanding of God can affect every aspect of our lives.
