### LESSONS FROM FIRST SAMUEL

**1 Samuel 8:4-5** "So all the elders of Israel gathered together and came to Samuel at Ramah. <sup>5</sup>They said to him, "You are old, and your sons do not follow your ways; now **appoint a king to lead us, such as all the other nations have.**"

### LESSONS FOR US:

- **Be the best Christian you can be.**
  - Samuel didn't have a very good role model on how to raise his sons. As a result, they accepted bribes and perverted justice causing God's people to want something that God didn't put into His kingdom (an earthly king).
  - Fortunately, as Christians, we can look to the Bible and learn how to be the best Christian we can be, so that those around us won't ask for something that Jesus didn't put into His church.
  - When the Christian brothers work hard on their (class, Lord's supper, sermon, prayer) comments, the church is edified. When the brothers don't work hard, the church wants to be edified by something that Jesus didn't put in his church.
  - When we all sing to the best of our ability, the church is edified. When many members don't sing, the church wants to be edified by something that Jesus didn't put in his church.
  - When we all greet one another and fellowship one another, the church is edified. When many members don't, the church is not edified.
  - **Be the best Christian you can be and edify the body of Christ.**
