Good Morning! Thanks for joining us for worship today! If you are visiting with us, please take a moment and fill out the visitors card located in the pews or at the table under the bulletin board in the back of the Sanctuary. Please place card in the offering plate or give directly to me. I would enjoy scheduling a phone call or in-home visit with you, if possible. You will also find a prayer request card as well in the pew, feel free to write your requests and place the card in the offering plate or give directly to me. I encourage you to sing, pray, and ask God to speak to you today as we worship Him. If there is anything I can do for you personally, please feel free to call, text, or email me. Misconceptions about God abound. But they don't have to. God has revealed His character in Scripture, illuminating the attributes that define Him. While we, being finite creatures, can never truly comprehend everything that God is, we should study what He Himself has said. In this 16-part teaching series, The Attributes of God, Dr. Steven Lawson articulates a biblical understanding

of divine attributes and explores how a right understanding of God can affect every aspect of our lives.
