## Making Disciples & Planting Indigenous Churches

*A man's heart deviseth his way; but the Lord directeth his steps. Proverbs 16:9*

Dear Prayer Warriors and Supporters,

These past two years on deputation and in ministry have been very instrumental in our preparation for our mission field, Haiti. We have traveled to or through all the continental states except for Utah, Nevada and South Dakota. During this season of ministry, we have ministered to many churches through video, PowerPoint presentation, music, and preaching. Along the way, we have made many friends and, more importantly, have enlisted an army of prayer warriors. Churches across the country have blessed us in so many ways as well. We are forever grateful for this great journey on which the Lord has sent us, and we are truly blessed and privileged to be co-laborers with Christ. To God's glory, through gospel tracts and personal witnessing, we have continued to see souls transported from the kingdom of darkness to the kingdom of light.

The laying of the groundwork for our ministry in Haiti culminated in Killick's ordination as a minister of the Gospel and our family's commissioning as missionaries to Haiti at our sending church on November 14, 2021. What an ordeal that was for him to stand in front of the council to defend his position on the foundational doctrines of the Bible. By God's grace, he is now ordained and more ready than ever to minister in Haiti. Family and friends joined us as we celebrated, with joy and gratitude, God's goodness, mercy, and grace for our family. May the Lord's name be exalted and glorified!

Our departure for Haiti was scheduled for December 9; however, through the mandatory pre-boarding COVID test, we learned that Nehemie was infected with the COVID virus, and two days later, Nathanael began to show symptoms of the illness. This has "delayed" our plan, but not God's plan! As Proverbs 16:9 says, **God directs our steps**. We are now resting in our sovereign God, the One who knows the end from the beginning. Please pray for us as we anticipate departure to Haiti when all three of us test negative for the virus. We count on your prayers for recovery for Nehemie and Nathanael and for protection for the rest of the family. Thank you, again, for your continued prayer and financial support!

### Praise God for:
