Dear Prayer Warriors and Faithful Supporters,

God has been doing some amazing things here in South Africa. In the middle of October, myself, and Lorna Mitchell (along with P) moved unto the LFM property into our newly completed townhouses. It is such a blessing to all be on property and see the Lord working. We also welcomed a new Little Fish and Lord willing at the beginning of 2022 will be able to open our baby haven. To do this, we need to upgrade our electricity infrastructure, which will cost well over \$20,000. While some funds have come in, we still need the Lord to supply the remainder of the finances, please pray with us and consider giving to this need.

The Abundant Life Baptist Church family is thriving, and we are seeing people accept Christ and follow the Lord in believer's baptism. I continue to teach the children's Sunday School class which usually includes 8-10 children. December is a busy month, but we are excited to celebrate the birth of Christ and share Christ's love with those around us.

At the end of October, I was able to submit my final documents to the South African Nursing Council. I now must wait for the US nursing board and my nursing school complete their portion. Please continue to pray me through this process of licensing.

Over the last month or so, I have had the opportunity to work at an expectant mother's home. Many of these moms are young, some homeless, and many afraid and in need of the Savior. I have had the opportunity to sit and calm some of their fears, pray with them, and provide some reassurance.

**Recently a news report was published here in South Africa that stated, "More than 600 girls aged 9 and 10 gave birth in South Africa in 2020." The people of South Africa need JESUS!**

**THANK YOU FOR ALLOWING THE LORD TO USE YOU TO FURTHER THE GOSPEL AND REACH THE ABANDONED AND ORPHANED CHILDREN OF PORT ELIZABETH.**

**PRAISES:**

- House on LFM property completed
- Nursing council acceptance of documents
- Baptisms and church growth

**PRAYERS:**

- Health (asthma specifically)
- Nursing License Registration
- Building projects and financial needs
- Increased crime and safety
- Electrical infrastructure needs
- Abundant Life Baptist Church
