

1/11/21 pymt to principal: \$5,000

Building loan balance due: \$52,000...THE END IS NEAR!

- **Projected pay off** is July 2022 **IF** we are able to keep paying against the principal as we have in the last year; sooner if more people chip in, every dollar helps!
- **Gift card sales** earned **\$2,255.15** for the building fund in 2021 & cost us nothing! Purchase your gift cards through the church for your own shopping or gifts and earn money for the building fund! It's that easy!
- **TLC Cost Sharing** totaled \$7,200 in 2021 that was applied to the building fund.
- **NEW** opportunity to earn money for the building fund– we receive brand new items in their original packaging through a program we are enrolled in through AP&G. Items are on display at the end of the office hallway and available for a donation to the building fund. Stop & check it out often as new items are added all the time!

The GOAL: 7 NEW Small Groups in 2022!

Small groups can help us develop a greater sense of Christian community in a disconnected age. They can facilitate the formation of deeper Christian friendships, encourage greater spiritual accountability among church members, and become a natural opportunity for inviting unbelieving and unchurched (or under-churched) neighbors to interact with a covenant community.
