The monthly newsletter of Salisbury First Baptist Church

People of God, we must fast and pray.

Over the last several weeks we have been talking about fasting and prayer and how God uses those two things to speak into the hearts and lives of his people. We have looked at the need for vision, clarity, and focus that brings us to see the Kingdom of God at work in our midst. Well, we are finally at that moment.

On October 3rd, we as a church will embark on what I believe will be a truly remarkable journey of fasting and praying together as one. Some of you may be asking, why now? I believe the Lord has called us to this moment for very important reasons. As a church we must desire what God wants in our lives and to serve him to the best of our ability. I also believe that as we watch the events of the world unfold and we see the impact that sin has on the lives of those around us, the time is now that the church must pray for revival both inside and outside of its walls.

So, this month we take the first step to the Lord as we seek his mighty intervention into our midst. I am not sure of how you have decided to participate, if at all, in the corporate fast. That is completely between you and God. What I do know is that scripture tells us, When God's

Club 2:52 began on September 8th and kicked off with a bang. This year we began with learning what is truth. Kids are having a great time in bible study, missions, exercise, and snacks. Our numbers are up this year which is always good to see. Give Becca Britt a shout, if you would like to help with snack items or volunteer, we would love to have you!

Men, join Pastor Kurtis on Tuesday mornings at 6:30 for a devotion, prayer, and an opportunity to check-in with each other. We are stronger together!

Women of Joy

Some of our ladies left Friday October 1st for the Women of Joy conference in Branson, MO. Be praying for them as they embrace joy!

How to pray this month

There are several ways you can be praying this month.

1. Pray that God would use this time that we are devoting to him during the fasting and prayer to speak in big ways to his people.
2. Pray that we as a church would be open to the guidance of the Holy Spirit as we seek to do the will of God in our lives.
3. Pray for hearts to be softened to the Lord and that a great movement of the Holy Spirit would fall upon the lost in our community.
