September & October 2021 Church News

From the Pastor

It's easy to develop unhealthy patterns and habits that leave us empty. We all have done it. And it doesn't take much effort. In fact, it often takes no effort!

We also have probably sought answers to such problems in unhealthy ways. Instead of looking to the world for answers, we know the Bible is our guidebook. Romans 12:2 says, *Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect* (NLT).

This fall we will seek true and lasting transformation that starts with God, as His Spirit works within us to make us more like Jesus. We will focus on seven key areas of our lives that can have the greatest impact on a body of believers when they are completely transformed by the Word of God:

1. Spiritual Health
2. Mental Health
3. Financial Health
4. Physical Health
5. Emotional Health
6. Relational Health
7. Vocational (workplace) Health

We will look at each one of these areas on Sunday morning as part of our worship times, but we also need to go deeper for true transformation. You are invited to be part of a small group that will go deeper. Sign up to be part of a group and see what God has in store for you!

Online Church DIRECTORY

Have you accessed the new online church directory? Our church management program now allows us to share an online version of the church directory with our church family. This online directory contains photos and contact information of our church family, just like our printed directories. But it is much MORE than the printed version. You can add or change your photo as well as your contact information. You also can view your own giving record (rest assured that no one else can see your personal giving record).

If you have not yet accessed your personal account, email us (office@hoodview.church) and we will send you an invitation link.

Church Office Hours

Tuesday, Wednesday & Fridays

Feel free to call (503-981-1660) with your questions or concerns. Thank you to these ladies for serving in this helpful way!

Our team of eight people (along with others from the Oak Park/Salem congregation) journeyed to Vicente Guerrero, Mexico, in August to work with Welcome Home Outreach in assisting with the build of a home for a local pastor and his family. From the Leadership Council

I would like to remind you that October is “Pastor Appreciation Month.” A pastor’s role is about being and doing. Pastors who fulfill the Biblical role, as demonstrated by our Lord and instructed by the Apostle Paul, should be acknowledged and honored by the church. 1 Thessalonians 5:12 says, “Now we ask you, brothers and sisters, to acknowledge those who work hard among you, who care for you in the Lord and who admonish you. Hold them in the highest regard in love because of their work” (NIV). I encourage you to show Pastor Steve and Pastor Dan your appreciation!

Gary Johnson
Chairperson, Leadership Council
