Children's Day Out Program Information 2022-2023 School Year

PROGRAM DESCRIPTION

Children's Day Out is a one-day a week program for children who are 18 months through 3 years of age. (Children are ineligible if they are 3 years old before the start of our school year on September 6.) Classes are available Monday, Tuesday, Wednesday, Thursday, or Friday from 9:00 am - 12:00 pm. Students may only attend one day a week. Classes run from September 6, 2022 through May 26, 2023.

Two loving teachers offer care for up to eight children per class. We offer a safe and nurturing place for children to practice being independent and to socialize with other children, while their grown-ups have some necessary time to themselves. Teachers send parents email notes with details about their child's morning.

Children play, laugh, dance, run, learn, create, share, and explore together. We play with playdough and paint, play in the sandbox outside, and do other fun and "messy" activities. We also have snacks, read stories, and eat lunch together.

At this age, children often play independently. They also make friends and play in groups of two or three. Periodically throughout the morning, we invite all children to participate in particular group activities, though they are not required to do everything.

SNACK AND LUNCH

Children bring a small morning snack, water bottle or cup, and packed lunch each day. Water is always available for your child.

FEES/TUITION

There is a \$100 application fee. Tuition is \$33 a class, paid at the beginning of each month in 9 equal monthly payments. Families pay the entire amount, regardless of how many classes they actually attend, because even if the class is smaller we must continue to pay the teachers and other program operating expenses. There is no charge for days we are not in session: Martin Luther King Day, President's Day, Spring Break, Good Friday, Labor Day, the Wednesday, Thursday and Friday of Thanksgiving break, and two weeks at Christmas time.

CONTACT INFORMATION

For more information about the program visit our website at <https://covenantpcusa.org/childrens-center> or contact Colleen Davis, CDO teacher, at colleendavis773@gmail.com or 614-766-4871.
