

CROSSROADS CORE VALUES

- ✿ **It's not about us.** God's Kingdom and His purposes are more important than any one church's or individual's agenda. We will pursue the Father's heart in all matters.
- ✿ **All people matter to God and to us.** Just as Jesus loved every person He encountered, we will seek to love them and accept them as He does, seeking to lead them to a faith-commitment to Christ.
- ✿ **Life-transformation best takes place in a small-group setting.** We will not only provide large-group worship experiences for people, we will do everything we can to provide life-changing small groups, where people can experience genuine, New Testament community.
- ✿ **God's Word has transforming power.** We are determined to communicate it as clearly and widely as possible, teaching people how to spiritually feed themselves.
- ✿ **True disciples and churches always multiply.** Multiplication is a sign of life. Disciples produce disciples who multiply and churches giving birth to churches which give birth to new churches.
- ✿ **Christ-followers are servants.** Just as Jesus served, He calls us to serve. He defined greatness as being humble servants of others.
