2020 -- Peace and Goodwill

A year from now we will have "2020 hindsight." What will be said about the year we are now entering?

Looking back, one economist says, we have just lived through a decade of the greatest

improvement in human living standards in history. Extreme poverty has fallen below 10% for the first time. Global inequality has been plunging with the economic growth of Asia and Africa. Child mortality has fallen to record low numbers; famine virtually went extinct; malaria, polio, and heart disease are all in decline.

So, as we start this year why doesn't it feel like it? Why does it seem we are angry at one another? Why the blaming of some terrible "they" who are winning at "our" expense?

Several trends have been listed as potential factors to the problem. One is technology. Technological progress has been a source of unease and resentment since the printing press sparked the Reformation. To many the present pace of change feels like more than we are meant to process.

Second, the statistical decline of participation in organized religion. Religion has been an important part of our society. Yet, historically religion hasn't always been a

source of social unity and peace.

Third, is the plight of increasingly skeptical young people. It has been suggested children have been raised to be more fragile and less tolerant of ideas that are not liked, or seen as threatening. Still, complaining about "these kids today" has been a historical pastime. Furthermore, studies show the angriest and most divisive people today have not been the youngsters.

The trends are seen as part of a broader failure of traditional institutions -- politics, culture, family -- that have always given people a sense of meaning and belonging. People want to be a part of something larger than themselves. Today, to provide this sense of identity, many are seeking ideologies that have proven to be divisive.

We seem to live in a society claiming powerlessness and victimhood. Not really knowing what is wanted beyond "not this." There is a message of outrage, but little accepting of responsibility.

What is necessary is to do the work. This begins with telling people what they need to hear, not just what they want to hear.

When we look back we may recognize how we have learned, gained new understanding, grown, made progress, and moved forward.

Of course, there is bad news. Unfortunately, we tend to focus on those bad things that fall outside the ordinary. The good news, experienced over the last decade, is that the new ordinary is pretty good.

The Value of Adult Education Ministry

Thousands of people are requesting a place in one of our state's adult education programs (GED and English language instruction), but funding

hasn't moved in 21 years. The result has been long waiting lists and lost opportunities.

Adult education programs include students who have dropped out of school for financial reasons, often to prevent homelessness. Others, to care for an ill family member, to face an unplanned pregnancy, or many other factors. Returning to school after years away requires determination. Students must often balance study with duties as parents and demands of employers.

Leaders in adult education say programs are vital in raising the state's lagging education levels. More than 500,000 people in Arizona over the age of 25 don't have

a high school diploma. For people age 25-34, Arizona ranks 40th in the nation for people with bachelor's degrees or higher. These programs provide for many future financial benefits and can help lead students down a pathway to higher education.

All Year Birthday Party and Annual Meeting

Sunday, January 26th

You're invited to celebrate your birthday as we hold a party for each and everyone. Each month of the year will have its own cake that you will share with others with birthdays that same month.

There will also be a special 30th anniversary celebration of the sanctuary in Arizona City.

The afternoon's events will begin with our annual meeting at 2 p.m. Information for the meeting will be made available on January 19th.

ACSTO

The Arizona Christian School Tuition Organization offers a dollar-for-dollar tax credit for donations to education. Anyone who pays Arizona state taxes can request to have your tax dollars help make a child's tuition more affordable to a family.

Donations must be made anytime prior to filing a 2019 tax return and will be applied to taxes paid. The Private School Tax Credit does not take money from public school funding.

Merle and Rachel Grack invite you to learn more in how you can support their grandson, Keaton. More information is available at both church sites.

Angel Tree

Your gifts on behalf of parents who are in prison brought some light into the season of Christmas.

Thank you to everyone who purchased gifts and made donations, thus touching the lives of over 40 children in our community.

Christmas Tree Ministry

Thanks for all of your donations and assistance with preparing 9 Christmas

trees and 9 meals for delivery to our neighbors in the area.

Women's Book Club

January 17th

The group meets on the third Friday of each month at 9:30 a.m. in Arizona City. Discussion focuses on two books:

"What Did Jesus Ask? -- Christian Leaders Reflect on His Questions of Faith"

Jesus engaged his followers as well as skeptics in dialog, posing powerful questions to guide them to examine their personal faith and to teach them how to think after his own heart.

More than 70 of today's most spiritual writers, religious leaders and artists offer modern meditations on the question Jesus asks in the Bible. Their interpretations lead readers on an exploration of their own faith and to shape their own meaningful answers.

"The God Who Sees: Immigrants, the Bible, and the Journey to Belong" by Karen Gonzalez

Here is a riveting story of seeking safety in another land. A gripping journey of loss, alienation, and belonging.

The book is an invitation to read the scriptures with the fresh eyes of the author, a theologian with a story that is relevant, heartbreaking, and always surprising. She deeply believes in the God who sees, and she invites her readers to discover the God who is obsessed with the immigrant.

Bring your Bible and friends.

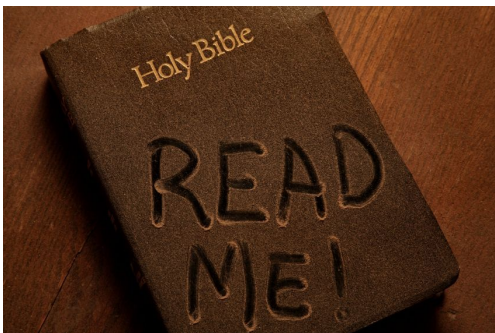

Ladies Quilting Ministry

Good Grief

*"Grief never ends, but it changes.
It's a passage, not a place to stay.
Grief is not a sign of weakness,
nor a lack of faith.*

It is the price of love."

(Author Unknown)

Because of all the people and things in life we love, life is full of sorrow, sadness, distress, pain, suffering, and, adversity. Life is full of loss in many different forms. Unique in many ways. Common in many ways.

These gatherings are intended to provide opportunities to share grief. To be comforted, to comfort. To be helped, to help. To be supported, to support others.

Meetings are the second and fourth Tuesdays of each month at 2 p.m. in Arizona City. Please contact Pastor Thom or Judy Smith for any questions or needs.

Winter Softball Season

Watch for a new winter season to begin in early 2020. Games are played at the Paul Mason Sportsplex on Pinal Ave in Casa Grande.

Special thanks to the fans who come out to support our team.

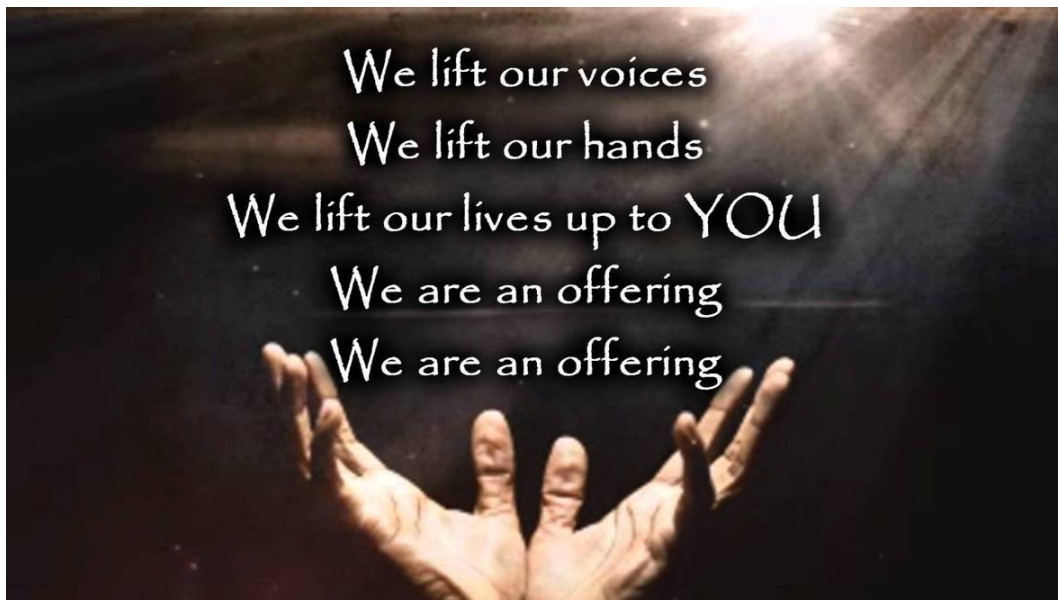

9-Hole Golf Scramble

The next event is Saturday, January 18th at 1 p.m. at the Mission Royale Golf Course in Casa Grande.

A scramble makes it possible for golfers of all abilities to play together. Players are placed on teams of 3 or 4 and use the best shot or putt of the group.

The fee is \$30 per player, which includes use of the practice facilities and driving range.

Our Stewardship

We continue to celebrate our growth reflected in a greater number of worshipers, worshipers who have met their monthly offering goal (even when missing a worship service), and, those who have doubled their offering on the second Sunday of each month.

We have held the belief that many of us have had the ability to grow in our giving. Continuing to ask ourselves, "how come I don't give more?"

Your contributions have made it possible for us to extend our benevolence to many areas of need. This year the council will designate contributions to:

City of Joy Rwanda -- sponsoring a student in Rwanda for an entire school year;

Refugee Program -- Lutheran Social Services of the Southwest supports the resettlement of families from around the world in Arizona;

Florence Immigration and Refugee Rights Project -- providing educational materials, sports equipment, school supplies, pregnancy and new parent support;

Maricopa Lutheran Church -- assisting the congregation's efforts to establish a permanent location in their community;

Friendship Center -- sponsoring the start-up ministry for the Robson Ranch community.

Thank you for your contributions to our growing ministry, helping us to grow our ministry within our congregation, to the Grand Canyon synod and the national church, and to those in need around the world.

A Fragrance Free Environment

We are now encouraging that everyone please avoid wearing scented products, such as perfumes, colognes and aftershaves, during worship and other congregational events held at our two sites.

Many people have sensitivities and respiratory difficulties that are triggered when exposed to personal fragrances.

Thank you for your cooperation.

"Good Gifts" Ministry

Malawi is a landlocked country in southeast Africa that was formerly known as Nyasaland. The topography of the country is defined by highlands split by the Great Rift Valley and enormous Lake Malawi, which takes up about one-third of Malawi's area.

The population of Malawi is estimated at a little over 18 million. This estimate takes into account a lower life expectancy, and higher infant deaths, due to AIDS.

Malawi is among the world's least-developed countries. The economy is heavily based on agriculture, with a largely rural population. The government depends on outside aid to meet development needs. There are challenges in building and expanding the economy, improving education, healthcare, environmental protection, and becoming financially independent amidst widespread overpopulation and unemployment.

Our congregational campaign raised \$8,783, which has been increased to \$10,000 by the church council. These funds will allow us to partner with the Malawi Health and Wellness program. Through the direction of the Lutheran Church of Malawi our funds will be used to provide access to clean water, sanitation, livestock, farm equipment, fruit trees, medical supplies and medicines, school materials, and mosquito netting.

This is a specific breakdown of expenses:

- 2 simple water wells
- 4 latrines
- 1 fish farm
- 1 fruit tree nursery
- 4 women attending farming school
- 20 sets of farm tools
- 4 piglets
- 10 chicks

5 roosters
2 pair of goats
4 colonies of honey bees
1 month of medical supplies
1 classroom of school supplies
1 community of mosquito netting.

Thank you for your contributions to this ministry. You can continue to make individual donations to Good Gifts throughout the year. ELCA Good Gifts provide more than 50 different gift-giving options, starting at \$10, that fight disease and hunger, and transform lives around the world.

“What You Have First Given Us”

Merciful Father, we offer with joy and thanksgiving what you have first given us - our selves, our time, and our possessions, signs of your gracious love.

*Receive them for the sake of him who offered himself for us,
Jesus Christ our Lord. Amen.*

On the second weekend of each month we continue to prayerfully consider the challenge to double our offering. The reason for this proposal is the need to increase offerings and the belief many people have the ability to fulfill such a request. As we consider this challenge we can ask ourselves, “how come I don’t give more?” Thank you for your contributions to our growing ministry.

Internship Fund

The \$20,848 of contributions received for the internship program have been invested in an ELCA Mission Investment Fund account. The council will continue to evaluate the possibility of participating in the internship program in the futures or applying to other staffing needs.

Special note: At the annual meeting in January, it was approved to use \$6,000 of the fund to support the work of our tutor for our GED program this year.
