### Lamb of God

Many descriptions of Jesus have been written over the years. The exact nature of his messianic work and the kingdom he came to establish was a matter of great debate during his ministry. Never did Jesus proclaim his messianic identity more clearly or display the method he would use to bring his kingdom more pointedly than in his triumphal entry into Jerusalem.

Jesus walked from Galilee to Jericho, then arrived at the outskirts of Jerusalem at Bethany. He waited until the next day to continue his journey walking halfway to Jerusalem stopping at Bethphage. Then he rode on a donkey down the Mount of Olives and into the city. That event, Jesus' triumphal entry, stirred the people of Jerusalem and has moved Christians ever since. It is one of the most well-known events of the gospels.

Against this backdrop, Jesus taught about the way he would carry out his mission to bring God's kingdom. He intentionally went to Jerusalem to face the cross. The disciples did not want to hear about suffering and death, and did not understand. Nothing could dissuade Jesus from completing his divine mission and from equipping his disciples to spread the message.

For God planned carefully when he carried out his great work of salvation. Nothing was left to chance. Jesus came to Jerusalem from the east, riding on a donkey, just as the prophets had predicted. Jesus entered Jerusalem at the time the Passover lamb was chosen. On Palm Sunday, he proclaimed himself Messiah by coming from the east and riding a donkey into the city. But his true kingship would be as God's lamb, our Passover lamb.

When Jesus came to Jerusalem, the people believed the solution to all their problems was freedom from the Romans and their collaborators. Although Jesus stands for freedom, it was not the national and political freedom the Jews sought. They misidentified their deepest need, people who were broken by sin and in desperate need for forgiveness and healing. They misunderstood Jesus when he proclaimed that he was the Messiah. Jesus is the lamb of God who brings salvation by taking away the sin of the world.

## Why Did Jesus Die?

A Grand Jury Investigation into the Trial and Execution of Jesus of Nazareth

April 17th at 6 p.m.

Arizona City

What really motivated the main characters during the events surrounding Jesus' death? Six biblical characters come to life in new and revealing ways as they take the witness stand in a contemporary grand jury inquiry into the meaning of Jesus' death. While attempting to explain their thoughts and actions, Judas, Caiaphas, Herod, Pilate, Mary Magdelene, and

Peter face questioning by a state's attorney. The members of the grand jury (the audience) are challenged to determine the true significance of the crucifixion. The resulting testimony points out Jesus' innocence and our sinful guilt.

The drama written by Pastor Bob Kleinke, began with a confirmation student's question, "Why did Jesus have to die?" The questioning of each character makes the character come alive while still being true to the biblical witness.

It's a passage, not a place to stay.  
Grief is not a sign of weakness,  
nor a lack of faith.  
It is the price of love."  
(Author Unknown)*

Because of all the people and things in life we love, life is full of sorrow, sadness, distress, pain, suffering, and, adversity. Life is full of loss in many different forms. Unique in many ways. Common in many ways.

You are invited to these upcoming opportunities to share grief. To be comforted, to comfort. To be helped, to help. To be supported, to support others.

## Our Stewardship

We continue to celebrate our growth reflected in a greater number of worshipers, worshipers who have met their monthly offering goal (even when missing a worship service), and, those who have doubled their offering on the second Sunday of each month.

We have held the belief that many of us have had the ability to grow in our giving. Continuing to ask ourselves, "how come I don't give more?"

Your contributions have made it possible for us to extend our benevolence to many areas of need. This year the council will designate contributions to:

All Hands and Hearts -- assisting the recovery effort of the people of Puerto Rico;

City of Joy Rwanda -- sponsoring a student in Rwanda for an entire school year;

Lutheran Disaster Relief -- the ELCA provides extensive support for the relief and recovery efforts of the impacted regions;

Refugee Program -- Lutheran Social Services of the Southwest supports the resettlement of families from around the world in Arizona;

Florence Immigration and Refugee Rights Project -- providing educational materials, sports equipment, school supplies, pregnancy and new parent support;

Maricopa Lutheran Church -- assisting the congregation's efforts to establish a permanent location in their community;

Friendship Center -- sponsoring the start-up ministry for the Robson Ranch community.

Thank you for your contributions to our growing ministry, helping us to grow our ministry within our congregation, to the Grand Canyon synod and the national church, and to those in need around the world.

## "Good Gifts" Ministry

Malawi is a landlocked country in southeast Africa that was formerly

known as Nyasaland. The topography of the country is defined by highlands split by the Great Rift Valley and enormous Lake Malawi, which takes up about one-third of Malawi's area.

The population of Malawi is estimated at a little over 18 million. This estimate takes into account a lower life expectancy, and higher infant deaths, due to AIDS.

Malawi is among the world's least-developed countries. The economy is heavily based on agriculture, with a

largely rural population. The government depends on outside aid to meet development needs. There are challenges in building and expanding the economy, improving education, healthcare, environmental protection, and becoming financially independent amidst widespread overpopulation and unemployment.

Our congregational campaign raised \$8,783, which has been increased to \$10,000 by the church council. These funds will allow us to partner with the Malawi Health and Wellness program. Through the direction of the Lutheran Church of Malawi our funds will be used to provide access to clean water, sanitation, livestock, farm equipment, fruit trees, medical supplies and medicines, school materials, and mosquito netting.

This is a specific breakdown of expenses:

- 2 simple water wells
- 4 latrines
- 1 fish farm
- 1 fruit tree nursery
- 4 women attending farming school
- 20 sets of farm tools
- 4 piglets
- 10 chicks
- 5 roosters
- 2 pair of goats
- 4 colonies of honey bees
- 1 month of medical supplies
- 1 classroom of school supplies
- 1 community of mosquito netting.

Thank you for your contributions to this ministry. You can continue to make individual donations to Good Gifts throughout the year. ELCA Good Gifts provide

more than 50 different gift-giving options, starting at \$10, that fight disease and hunger, and transform lives around the world.

## Financial News

### “What You Have First Given Us”

*Merciful Father, we offer with joy and thanksgiving what you have first given us -  
our selves, our time, and our possessions, signs of your gracious love.  
Receive them for the sake of him who offered himself for us,  
Jesus Christ our Lord. Amen.*

On the second weekend of each month we continue to prayerfully consider the challenge to double our offering. The reason for this proposal is the need to increase offerings and the belief many people have the ability to fulfill such a request. As we consider this challenge we can ask ourselves, “how come I don’t give more?” Thank you for your contributions to our growing ministry.

### Internship Fund

The \$20,848 of contributions received for the internship program have been invested in an ELCA Mission Investment Fund account. The council will continue to evaluate the possibility of participating in the internship program in the futures or applying to other staffing needs.

Special note: At the annual meeting in January, it was approved to use \$6,000 of the fund to support the work of our tutor for our GED program this year.
