Resolution -- "Be Perfect"

resolute: marked by firm determination

During the sermon on the mount, Jesus said, "Be perfect, therefore, as your heavenly Father is perfect." (Matthew 5:48)

Why not take the words of Jesus to use as a New Year's resolution? As Christians we should be serious about the expectations placed upon us. Furthermore, God promises to empower us with the presence of the Holy Spirit in our effort to fulfill such expectations.

Yet, much like the resolutions we may make, it would be a forgone conclusion that we will fail. But do we try? Are we trying? After all, we have to by trying to appreciate the gift of grace God promises us.

The message of the gospel makes no sense except against the backdrop of God's expectations. We know what God expects, and we know that we fall short. This is how we are to live, we are to try. For the gospel assures us all has been made right with God through Jesus. God looks at us through the lens of the gospel, God does not see failure.

We are to be resolute. Jesus tells us to be perfect. So, we are to try. Just imagine what our world would look like if everyone did?

**I May Not Be
Perfect,
But
Jesus
Thinks I'm To
Die For**

Community Adult Education Sunday

January 20th

During worship you will have the chance to hear from several of our adult education program participants.

Each of the participants will share their personal development journey to earn their GED or to improve their English language skills. This is an opportunity to learn how our program has contributed to their success.

"An American Story"

The primary purpose of the "An American Story" documentary project is to impact the public discourse on race. The documentary discusses the "better in us," a needed perspective in the current climate of disunity across racial, religious, and political lines. This view has implications for addressing public issues, such as immigration, health care,

and other government and religious challenges. These challenges must be met successfully in order to weave the fabric of unity which is indispensable for a nation.

The program will air on PBS (KAET channel 8) on January 21st at 5 p.m. and 26th at 2 p.m. View the program and then set aside time for discussion with one another and Pastor Thom.

Our Stewardship

We continue to celebrate our growth reflected in a greater number of worshipers, worshipers who have met their monthly offering goal (even when missing a worship service), and, those who have doubled their offering on the second Sunday of each month.

We have held the belief that many of us have had the ability to grow in our giving. Continuing to ask ourselves, "how come I don't give more?"

Your contributions have made it possible for us to extend our benevolence to many areas of need. This year the council will designate contributions to:

All Hands and Hearts -- assisting the recovery effort of the people of Puerto Rico;

City of Joy Rwanda -- sponsoring a student in Rwanda for an entire school year;

Lutheran Disaster Relief -- the ELCA provides extensive support for the relief and recovery efforts of the impacted regions;

Refugee Program -- Lutheran Social Services of the Southwest supports the resettlement of families from around the world in Arizona;

Florence Immigration and Refugee Rights Project -- providing educational materials, sports equipment, school supplies, pregnancy and new parent support;

Maricopa Lutheran Church -- assisting the congregation's efforts to establish a permanent location in their community;

Friendship Center -- sponsoring the start-up ministry for the Robson Ranch community.

Thank you for your contributions to our growing ministry, helping us to grow our ministry within our congregation, to the Grand Canyon synod and the national church, and to those in need around the world.

Our ESL language classes now have 25 active participants with 20 coaches!

"Good Gifts" Ministry

Malawi is a landlocked country in southeast Africa that was formerly known as Nyasaland. The topography of the country is defined by highlands split by the Great Rift Valley and enormous Lake Malawi, which takes up about one-third of Malawi's area.

The population of Malawi is estimated at a little over 18 million. This estimate takes into account a lower life expectancy, and higher infant deaths, due to AIDS.

Malawi is among the world's least-developed countries. The economy is heavily based on agriculture, with a largely rural population. The government depends on outside aid to meet development needs. There are challenges in building and

expanding the economy, improving education, healthcare, environmental protection, and becoming financially independent amidst widespread overpopulation and unemployment.

Our congregational campaign raised \$8,783, which has been increased to \$10,000 by the church council. These funds will allow us to partner with the Malawi Health and Wellness program. Through the direction of the Lutheran Church of Malawi our funds will be used to provide access to clean water, sanitation, livestock, farm equipment, fruit trees, medical supplies and medicines, school materials, and mosquito netting.

This is a specific breakdown of expenses:

- 2 simple water wells
- 4 latrines
- 1 fish farm
- 1 fruit tree nursery
- 4 women attending farming school
- 20 sets of farm tools
- 4 piglets
- 10 chicks
- 5 roosters
- 2 pair of goats
- 4 colonies of honey bees
- 1 month of medical supplies
- 1 classroom of school supplies
- 1 community of mosquito netting.

Thank you for your contributions to this ministry. You can continue to make individual donations to Good Gifts throughout the year. ELCA Good Gifts provide more than 50 different gift-giving options, starting at \$10, that fight disease and hunger, and transform lives around the world.

Financial News

“What You Have First Given Us”

Merciful Father, we offer with joy and thanksgiving what you have first given us - our selves, our time, and our possessions, signs of your gracious love. Receive them for the sake of him who offered himself for us, Jesus Christ our Lord. Amen.

On the second weekend of each month we continue to prayerfully consider the challenge to double our offering. The reason for this proposal is the need to increase offerings and the belief many people have the ability to fulfill such a request. As we consider this challenge we can ask ourselves, “how come I don’t give more?” Thank you for your contributions to our growing ministry.

The \$26,848 of contributions received for the internship program have been invested in an ELCA Mission Investment Fund account. The council will continue to evaluate the possibility of participating in the internship program in the futures or applying to other staffing needs.
