### The Christian and the World

Throughout the New Testament the Christian is described as a person who is a pilgrim, a stranger, not a permanent resident of the world. This wanderer or refugee was held in contrast to one who was a citizen and member of the worldly society.

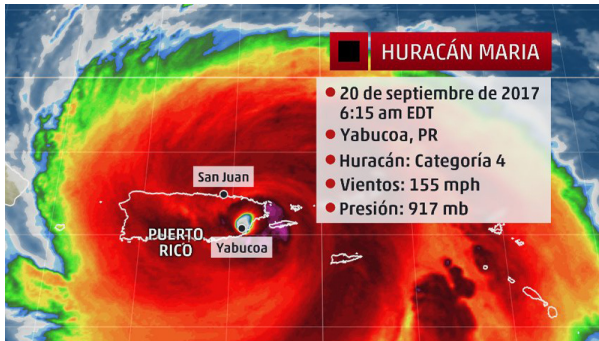

The early Christian church was present in many places, but it was understood that the true home of the church was not there. The word "parish" meant "a body of aliens in the midst of the community." The church was a body of people who lived in this world, but never accepted the standards of the world, rather the standards of God.

As a result the Christian was looked upon as a strange character, who followed ways which were not the ways of other people. The Christian would undertake service voluntarily and of one's free will, take on tasks in service to others. Service was spontaneously shouldered because of a desire to do so with one's whole heart. It was service one was compelled to perform by the love of Jesus.

This love made up the atmosphere of the Christian life. Love was the badge of the individual and the Christian community. This Christian love extended to one

another in the fellowship, and, to the neighbor, understood to be anyone who happened to be in need.

Though Christians regarded themselves as strangers, that did not mean they divorced themselves from ordinary life. It was in ordinary life the Christian left a mark. By living and serving in the world the Christians showed true citizenship in the kingdom of God.

## Our Neighbor in Need

In the Fall of 2017, Hurricane Maria's ferocious 155 mph winds plowed through the island of Puerto Rico, leaving a trail of destruction in its wake. Following the worst natural disaster in Puerto Rico's history, All Hands and Hearts opened two

programs to assist with the recovery effort.

All Hands and Hearts - Smart Response ([allhandsandhearts.org](http://allhandsandhearts.org)) effectively addresses the immediate and long-term needs of communities impacted by natural disasters. This is accomplished by listening to local people and deploying a model of engaging volunteers in order to rebuild safe and resilient homes, schools, and other community infrastructure.

In Yabucoa, the work includes mucking and gutting residences, roof and home repairs, tree removal, and demolition. The program has volunteers working alongside homeowners to create sustainable housing.

Several years ago the council set aside a sabbatical period to make it possible to explore the world in a new way. Alyson and I will be using this time during the month of September. We will travel to Puerto Rico to serve the Yabucoa community in their ongoing recovery effort.

During our time there we hope to keep you informed of our work through personal accounts and pictures. Pastors Bob Kleinke and Ron Hunt will be available for all ministerial responsibilities in September.

**"Good Gifts" Ministry**

Malawi is a landlocked country in southeast Africa that was formerly known as Nyasaland. The topography of the country is defined by highlands split by the Great Rift Valley and enormous Lake Malawi, which takes up about one-third of Malawi's area.

The population of Malawi is estimated at a little over 18 million. This estimate takes into account a lower life expectancy, and higher infant deaths, due to AIDS.

Malawi is among the world's least-developed countries. The economy is heavily based on agriculture, with a largely rural population. The government depends on outside aid to meet development needs. There are challenges in building and expanding the economy, improving education, healthcare, environmental protection, and becoming financially independent amidst widespread overpopulation and unemployment.

Our congregational campaign raised \$8,783, which has been increased to \$10,000 by the church council. These funds will allow us to partner with the Malawi Health and Wellness program. Through the direction of the Lutheran Church of Malawi our funds will be used to provide access to clean water, sanitation, livestock, farm equipment, fruit trees, medical supplies and medicines, school materials, and mosquito netting.

This is a specific breakdown of expenses:

- 2 simple water wells
- 4 latrines
- 1 fish farm
- 1 fruit tree nursery
- 4 women attending farming school
- 20 sets of farm tools
- 4 piglets
- 10 chicks
- 5 roosters
- 2 pair of goats
- 4 colonies of honey bees
- 1 month of medical supplies
- 1 classroom of school supplies
- 1 community of mosquito netting.

Thank you for your contributions to this ministry. You can continue to make individual donations to Good Gifts throughout the year. ELCA Good Gifts provide

more than 50 different gift-giving options, starting at \$10, that fight disease and hunger, and transform lives around the world.

## Study and Discussion

### Youth Night Class

Our youth group enjoyed a successful trip to Disneyland. Eight of our students took on two days of thrilling rides and miles of walking -- the accompanying adults were able to keep up. Thanks to Leticia Luse and Luke Wheeler for providing transportation.

The weeknight Bible study, discussion and activities offered to our elementary, middle school and high school students continues on Wednesdays from 6-7:30 p.m. at our Casa Grande campus.

Classes for the different age groups are led by Kara Cooper and Pastor Thom.

### Good Grief

*"Grief never ends, but it changes.*

*It's a passage, not a place to stay.*

*Grief is not a sign of weakness,  
nor a lack of faith.*

*It is the price of love."*

(Author Unknown)

Because of all the people and things in life we love, life is full of sorrow, sadness, distress, pain, suffering, and, adversity. Life is full of loss in many different forms. Unique in many ways. Common in many ways.

You are invited to these upcoming opportunities to share grief. To be comforted, to comfort. To be helped, to help. To be supported, to support others.

The gatherings will continue in the fall, watch for date and time.

### Summer Softball Season

Your "Saints completed the season with a record of 8 and 6. The season ending tournament will be

played on August 13th.  
Games are played at the Paul Mason Sportsplex on Pinal Ave. in Casa Grande.  
Special thanks to the fans who come out to support our team.

## Our Stewardship

We continue to celebrate our growth reflected in a greater number of worshipers, worshipers who have met their monthly offering goal (even when missing a worship service), and, those who have doubled their offering on the second Sunday of each month.

We have held the belief that many of us have had the ability to grow in our giving. Continuing to ask ourselves, “how come I don’t give more?”

Your contributions have made it possible for us to extend our benevolence to many areas of need. Last year the council has designated \$1,000 contributions to:

Habitat for Humanity -- the first of several planned home constructions is planned for Arizona City;

City of Joy Rwanda -- sponsoring a student in Rwanda for an entire school year;

Sonlight Christian Camp -- since 1979 students from the southwest and across the

nation have participated in this Christian camp experience outside Pagosa Springs, CO;

Lutheran Disaster Relief -- the ELCA provides extensive support for the relief and recovery efforts of the impacted regions;

Refugee Program -- Lutheran Social Services of the Southwest supports the resettlement of families from around the world in Arizona;

Maricopa Lutheran Church -- assisting the congregation's efforts to establish a permanent location in their community.

Thank you for your contributions to our growing ministry, helping us to grow our ministry within our congregation, to the Grand Canyon synod and the national church, and to those in need around the world.

## Community Ministries

## Hispanic Leadership Institute

Congratulations to Leticia Luse, who recently completed her participation in The Hispanic Leadership Institute-Pinal (HLI-Pinal). With a practical business and community orientation, the program develops participants to realize their fullest potential as leaders

so they may take an active role in the community by serving on a nonprofit/government board or commission. Leticia will be joining our church council as one of her next community service commitments.

## Manna Bags

We have joined with the Casa Grande Police Department to provide our Manna Bags for officers to distribute in our community. Twenty bags will be given away each week.

You can pick up a Manna Bag(s) to carry in your car so it can be shared with someone in need that you may meet in the course of your day.

Manna Bags generally include the following items:

two 16.9 oz water bottles, packaged tuna, sausage, crackers (plain, with cheese or peanut butter), energy bars, PayDay candy bars, fruit cups, hand wipes, plastic forks and spoons, in a gallon plastic bag.

## Community Education Ministry

Our adult students continue to have success in their ongoing study programs. We have had 6 students pass the math test, 5 language arts, 7

science, 7 social studies, and, 8 civics. Four participants, the latest being Martin (pictured here), have completed their GED tests. Three new students have recently joined the program.

Our ESL language class has increased from 12 to 16 hours a week. Presently, there are 12 active participants (an increase from 10).

We currently have a Spanish speaking part time tutor, who has proven to be a great asset to our ministry.

You can help by volunteering as a GED or English tutor or making a donation - designate as "adult education." Thank you for the donations received for this ministry!

#### **New Education Opportunity: Learn Spanish**

Central Lutheran is now offering Spanish Language Workshops. Taught by Ricardo Romano, one of the dedicated volunteer tutors who serves with our ongoing Community Education Ministry, sessions are free for everyone and will focus on learning beginning/ intermediate conversational skills. Dates and times are to be determined based on participants.

## Financial News

**“What You Have First Given Us”**

*Merciful Father, we offer with joy and thanksgiving what you have first given us -  
our selves, our time, and our possessions, signs of your gracious love.  
Receive them for the sake of him who offered himself for us,  
Jesus Christ our Lord. Amen.*

On the second weekend of each month we continue to prayerfully consider the challenge to double our offering. The reason for this proposal is the need to increase offerings and the belief many people have the ability to fulfill such a request. As we consider this challenge we can ask ourselves, “how come I don’t give more?” Thank you for your contributions to our growing ministry.
